HOROSCOPES by Stella Wilder

THURSDAY, NOVEMBER 10, 2022
YOUR BIRTHDAY by Stella Wilder

Born today, you are a very hard worker, and that hard work is sure to pay off again and again in ways that you value highly -- even though you may never enjoy "success" as commonly defined by others. You want to be the best you can be and enjoy a kind of versatility that allows you to explore a wide variety of endeavors. You don't balk at difficulties, nor do you jump at any opportunity at all; you consider situations very carefully and judge the potential of an endeavor before committing to it.

FRIDAY, NOVEMBER 11
SCORPIO (Oct. 23-Nov. 21) -- The more straightforward you can be today, the better.

Few are going to pay attention if you don't get to the point first thing.
SAGITTARIUS (Nov. 22-Dec. 21) -- Explore what makes other people tick today and you'll discover a few surprising things about yourself, too.

CAPRICORN (Dec. 22-Jan. 19) -- Those who are attracted to you today will find that you have much to offer -- but not for free. You'll surely want something in return.

AQUARIUS (Jan. 20-Feb. 18) -- You will feel remarkably comfortable today in a situation that, once upon a time, would have been quite a nightmare for you. Progress!

PISCES (Feb. 19-March 20) -- It's a good day to collaborate with someone whose ideas may be just as good as your own -- if not better. You'll learn a thing or two.

ARIES (March 21-April 19) -- Assumptions you make today are likely to come back around and threaten your progress tomorrow. The more friends you have, the better.

TAURUS (April 20-May 20) -- You'll be required to take the reins today, even though you had planned on simply going along for the ride. You'll have decisions to make.

GEMINI (May 21-June 20) -- You'll be feeling capable and confident today, even

when you meet up with someone who challenges many of your basic assumptions. Keep on going.

CANCER (June 21-July 22) -- The farther you reach, the more you should be able to acquire -- that's just simply logic -- but what you really want may not be available.

LEO (July 23-Aug. 22) -- Feel free to explore all manner of alternatives today, but know that by day's end you'll have to choose between change and the status quo.

VIRGO (Aug. 23-Sept. 22) -- You'll find out today what you'll need to know in order to get past an obstacle that has recently revealed itself. What steps should you take?

LIBRA (Sept. 23-Oct. 22) -- Those closest to you should recognize what is going on with you today and be willing and able to give you precisely the help you need.
