HOROSCOPES by Stella Wilder SUNDAY, NOVEMBER 13, 2022 YOUR BIRTHDAY by Stella Wilder Born today, you combine the best of the thinker and the doer, and when you set your mind to something, it's not likely to be left undone. You are hardworking and dedicated, and you embrace all manner of issues that can be quite deep, philosophical and even difficult -- but that are surely central to your idea of a life well lived. You are never afraid of talking about things others might consider off-limits. MONDAY, NOVEMBER 14, 2022 YOUR BIRTHDAY by Stella Wilder Born today, you are perhaps one of the most mysterious individuals born under your sign, for the very simple reason that while there is much about you that others know and admire, there is still more that you know about yourself that you prefer to keep to yourself -- if at all possible. You can be rather short with people when faced with situations that put you on the defensive and covetous of other people's good luck. You can be quite acquisitive, sometimes even putting money and other material gains before your personal relationships. TUESDAY, NOVEMBER 15 SCORPIO (Oct. 23-Nov. 21) -- A surprise is in store today, and it's not the one you think you know about. Be ready to celebrate a special event with someone you love. SAGITTARIUS (Nov. 22-Dec. 21) -- Action resumes today after a short hiatus, and you'll find yourself in a better position to enact a plan you've had in mind for a while. CAPRICORN (Dec. 22-Jan. 19) -- Whether you're at the top or the bottom, you'll have to be flexible in order to avoid an obstacle that threatens more than your progress. AQUARIUS (Jan. 20-Feb. 18) -- The answers to questions are likely to give rise to many more questions today -- and that tells you things are going in the right direction. PISCES (Feb. 19-March 5) -- You'll have to weigh all possibilities before you decide on the one you think will push you further ahead than any other today. Take the risk. ARIES (March 21-April 19) -- Pinpoint the problem you are facing today. You'll be able to move past it, according to the rather strict timeline you've established. TAURUS (April 20-May 20) -- You're not likely to get any guarantees today, and yet you'll feel confident that what must be done can be done -- and will be done by you. GEMINI (May 21-June 20) -- Is it possible be specific about its effects. Today you can invite someone in to help you. CANCER (June 21-July 22) -- "Things fall apart; the center cannot hold" -- or so says the poet. You may fear that this is coming true for you. Resist such thinking. LEO (July 23-Aug. 22) -- You are eager to give something a try that many before you have failed at -- but you think you know a trick that will make the difference. VIRGO (Aug. 23-Sept. 22) -- Joining forces with someone will not weaken your position today; it will strengthen it. Together, you can maximize your overall effectiveness. LIBRA (Sept. 23-Oct. 22) -- Your plans are taking shape, but there are certain details that have yet to be made clear -- to you and by you. Keep moving forward. CAPRICORN (Dec. 22-Jan. 19) -- You suspect will soon get out of hand. CAPRICORN (Dec. 22-Jan. 19) -- You
