Brendan Aaronson

11 a.m. on FOX 5 p.m. on FS1 FIFA World Cup 2022

The United States' quest to advance to the knockout round continues today at Al Bayt Stadium, Al Khor, Qatar, where they face Group B rival England. Brendan Aaronson and the Americans will certainly have their hands full as the Brits boast stars in Harry Kane and Jude Bellingham and are heavy favorites to win the group.

8 p.m. on HALL Movie: A Royal Corgi Christmas

Reluctant Prince Edmond (Jordan Renzo) returns home just before Christmas in anticipation of being named successor to the throne. To ingratiate himself to his mother the Queen (Susannah De Wrixon), he gifts her with "Mistletoe," a rambunctious Corgi in need of some serious training. He turns to Cecily (Hunter King), a canine behavior expert from America for help — but sparks fly between them as the pair work together to get Mistletoe ready to present at the annual Christmas Ball in this 2022 romance.

8 p.m. on LIFE Movie: Steppin' Into the Holiday

Former Broadway star, Billy Holiday (Mario Lopez), returns to his hometown for Christmas after being abruptly fired from his hit TV series. There, he encounters Rae (Jana Kramer), the charismatic owner of the local dance studio, where Billy's 12-year-old nephew is her standout student. Rae is planning a dance recital fundraiser and Billy volunteers to help Rae with the recital by reviving the town's traditional Christmas Eve show which was once a showcase for local talent in this 2022 romance.

8 p.m. on SHOW Movie: Mr. Malcolm's List

When she fails to meet an item on his list of requirements for a bride, Julia (Zawe Ashton) is jilted by London's most eligible bachelor, Mr. Malcolm (Sope Dirisu). Feeling humiliated and determined to exact revenge, she convinces her friend Selina (Freida Pinto) to play the role of his ideal match. Soon, Mr. Malcolm wonders whether he's found the perfect woman — or the perfect hoax in this 2022 romantic comedy.

10:03 p.m. on HIST The Proof Is Out There: Bermuda Triangle Edition

We'd certainly have reservations about spending the holiday there. In this special edition series premiere of "The Proof Is Out There," Tony Harris travels to the Florida coast to explore the notorious and fear-evoking Bermuda Triangle, where numerous boats and planes have mysteriously disappeared. Tony and a team of experts will analyze evidence of similar phenomena from around the world and render a verdict.
