His Dark Materials

The long-awaited eight-episode Season 3 premiere is finally here with two back-to-back episodes. Based on "The Amber Spyglass," the final novel in Philip Pullman's award-winning trilogy, the epic fantasy series follows Lyra (Dafne Keen), the prophesied child, and Will (Amir Wilson), the bearer of The Subtle Knife, as they journey to a dark place from which no one has ever returned. As her father's great war against the Authority edges closer, they will learn that saving the world comes at a terrible price.

Winter is here!
Cold weather can mean icy spots in shaded areas!
