5 p.m. on TCM  
Max Steiner: Maestro of Movie Music

It can be argued whether or not Max Steiner is the greatest film composer of all time, but he's certainly the most influential. This 2021 documentary examines the amazing body of work of the man who scored more than 300 titles between the 1930s and the 1960s, including the iconic "Gone With the Wind," and songs such "Casablanca's" "As Time Goes By" and "Theme from 'A Summer Place.'"

9 p.m. on NBC  
People's Choice Awards

Sure, the other awards shows get all the attention, but none of them speak for the people like this year's new special which features the nominees and winners in the categories of movies, television, music and pop culture. From "Bullet Train" to "House of Dragon" to Bad Bunny, this is where the People's voices are heard. Will your favorites win? Kenan Thompson hosts.
