HOROSCOPES by Stella Wilder SATURDAY, DECEMBER 3, 2022 YOUR BIRTHDAY by Stella Wilder BORN TODAY, you are a strong, energetic and tenacious individual likely to enjoy tremendous longevity in the career of your choice -- provided that choice suits your personality and can satisfy your desires. ARIES (March 21-April 19) -- A certain situation reveals itself to be favorable or unfavorable solely based upon your reaction to it. TAURUS (April 20-May 20) -- You may want to shake things up a bit today and change the order of events without telling anyone ahead of time. GEMINI (May 21-June 20) -- No one around you may see what's coming the same way you do, and you alone may realize that this is quite an urgent situation. AQUARIUS (Jan. 20-Feb. 18) -- You can make something very insignificant far more important to you and those on your team simply by making one well-timed, bold move. PISCES (Feb. 18-March 20) -- You may be facing a nightmare scenario today, but if you remain calm, you should be able to straighten everything out in no time. ARIES (March 21-April 19) -- A certain situation reveals itself to be favorable or unfavorable solely based upon your reaction to it. TAURUS (April 20-May 20) -- You may want to shake things up a bit today and change the order of events without telling anyone ahead of time. GEMINI (May 21-June 20) -- No one around you may see what's coming the same way you do, and you alone may realize that this is quite an urgent situation. CANCER (June 21-July 22) -- You might not be believed today when you pass on a certain bit of news to others -- but the message must be delivered. LEO (July 23-Aug. 22) -- Someone close to you understands just how important things are today that are coming under attack from others. Help is on the way. VIRGO (Aug. 23-Sept. 22) -- Avoid putting things in terms that are nonnegotiable today. The more you are willing to discuss things, the more progress you'll make. LIBRA (Sept. 23-Oct. 22) -- You may realize that you no longer want to teach others how to do what you should be doing yourself, but how do you go about making that change? SCORPIO (Oct. 23-Nov. 21) -- It's time to get a certain project finished so you can move on to the next -- but some others are not cooperating. Put your foot down.
