HOROSCOPES by Stella Wilder

SUNDAY, DECEMBER 4, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you always seem aware of time passing, and nothing gets you going like a glance at a clock or hearing a tick-tick-tick telling you to get moving. It might, at times, seem to others that you feel you have little time available to you, or that you are running out of it prematurely, but the truth is that you are simply set at a higher gear, and you prefer to approach everything energetically and quickly.
MONDAY, DECEMBER 5
SAGITTARIUS (Nov. 22-Dec. 21) -- How is it possible to reconcile the good and the bad today when they emanate from the same place? Close study is certainly required of you.
CAPRICORN (Dec. 22-Jan. 19) -- Your outlook can remain positive and your intentions true today, despite being surrounded by those who don't share your integrity.

AQUARIUS (Jan. 20-Feb. 18) -- You've seen the signs pointing to a seemingly foregone conclusion, and that's what you should work toward. Now is no time to tempt fate.
PISCES (Feb. 19-March 20) -- It may simply be that your alignment of certain projects doesn't lend itself to efficiency -- and that's a problem you can solve today.
ARIES (March 21-April 19) -- You may be forced to deal with something today that you've actively tried to avoid -- but your work ethic will surely hold you in good stead.
TAURUS (April 20-May 20) -- Things may not pan out exactly as you had expected today, but you can take a leaf out of a Cancer friend's book and remain flexible.
GEMINI (May 21-June 20) -- You may display an unusual behavioral trait today, but only those who are stuck in the past will be bothered by this. It's time to look forward.
CANCER (June 21-July 22) -- Your focus must be on the things you have left to do,

YOUR BIRTHDAY by Stella Wilder
Born today, you are always eager to reach out and connect with other people, and even as a very small child you will likely be remarkably sociable, able to get along with all manner of other people -- children and grown-ups alike. As you reach maturity, you may choose not to surround yourself with people as much as you might have done in your youth, but you will still want to connect, communicate and share the stories of your life and the lives of others as you discover new ways of navigating your journey here on Earth.
TUESDAY, DECEMBER 6
SAGITTARIUS (Nov. 22-Dec. 21) -- You'll be working against the clock for much of the day, then quite suddenly time will seem to be on your side. That's a relief.
CAPRICORN (Dec. 22-Jan. 19) -- You are eager to put a little more spice into your daily life -- and today you'll have more than one option available. Which'll it be?

AQUARIUS (Jan. 20-Feb. 18) -- You may find yourself playing "mix and match" with people, places and things today. This "game" has some very serious overtones.
PISCES (Feb. 19-March 20) -- It's important that you clean up after yourself as you work today, for you're not likely to have time to do it once all is said and done.
ARIES (March 21-April 19) -- It's a good time to be to today, as you're likely to be both confident and quick. A good combination!
GEMINI (May 21-June 20) -- Your focus may shift from one thing to the next throughout the day, but you can still get things done by timing your efforts with great care.
CANCER (June 21-July 22) -- You may be showing signs of fatigue, and you fear you're

rather than any new tasks that are connected to a developing project. Tie up loose ends.
LEO (July 23-Aug. 22) -- How you complete a task today will say more about you, certainly, than how you begin it. Indeed, you may suffer from more than one slow start.
VIRGO (Aug. 23-Sept. 22) -- You're free to do and say what you want today, but you would be wise to consider your audience and the timing involved in letting loose now.
LIBRA (Sept. 23-Oct. 22) -- It's a good idea to let your admiration for someone else show a little today -- and it's time to see where this relationship might lead you.
SCORPIO (Oct. 23-Nov. 21) -- Your own individuality will be put to the test today, perhaps in a fun way, as there is much others are doing that you'd like to explore.

approaching burnout, but a chance encounter is likely to revive you and your spirits.
LEO (July 23-Aug. 22) -- Others will be gravitating toward you all day long, and though you won't know precisely why, you'll have to deal with the sheer numbers.
VIRGO (Aug. 23-Sept. 22) -- You can't guarantee the efficiency of a certain task simply by throwing more money or manpower at it. You must think this problem through.
LIBRA (Sept. 23-Oct. 22) -- You may be pulled in more than one direction today by someone who cannot make a simple decision. You'll have the chance to take the reins.
SCORPIO (Oct. 23-Nov. 21) -- You're not likely to have a lot of control over the timing of a certain endeavor, but the overall quality is certainly up to you. Keep it high.
