Collver Pays All Expenses

T. M. Collver, Catching Inlet rancher, who accidentally shot Walter Kaino, a neighbor youth, for a deer, has made an adjustment with the family, which probably terminates the affair, says the Coos Bay Times.

Under the terms of the settlement, it is said that Mr. Collver pays the medical and hospital bills of Kaino during the several weeks that he lingered after being shot.

It was first arranged that Mr. Collver should pay \$500 but when it was found that the expenses of caring for the youth would be greater, he assumed the expense.

The expenses of the funeral were borne by the lodges, the Suomi and Odd Fellows, of which the deceased was a member, and lodge brethren of the deceased aided in the settlement between Mr. Collver and the family.

Mr. Kaino leaves a widowed mother and some younger brothers and sisters.
