Winchester Flashlights

There are several distinctive features about flashlights which bear the name of "Winchester." The lights are the result of a large amount of engineering study aimed at making them as perfect as a flashlight can be made, and at the same time more convenient and more satisfactory to handle.

Winchester Flashlight Switch is a great improvement over the regular flashlight switch. All threads of the Winchester flashlight cases are made of coarser pitch than is customary. This makes it much easier to put the parts together, as a person must do when they change batteries and sometimes on other occasions. There are several other features that Winchester flashlight users are enjoying over the old flashlight.

Come in and let us show you this new flashlight and see for yourself the new improvements this light carries.

MYRTLE POINT ITEMS

Mrs. Owen Knowlton, of Coquille, was up to Myrtle Point a few days this week visiting relatives and friends.

The home talent play given by the Woman's Club, which was to be put on here March 10th, has been postponed to March 31st.

F. C. Houck, real estate agent, was called to San Francisco Tuesday morning due to the death of his sister, who lived there.

Owen Knowlton, of Coquille, who was operated on by Dr. Low at Pemberton's hospital here for appendicitis last week, is getting along fine and expects to go home next Sunday.

W. W. Gage, ex-sheriff, was in town several days last week on business.

Dr. V. L. Hamilton and wife, of Coquille, were in town last Saturday night.

John Aasen, of Coquille, was in town Tuesday and purchased several carloads of lumber from the former Stemmler Mill.

Mrs. E. A. Annin, of this city, who underwent a minor operation last week at Pemberton's hospital, was removed to her home Monday as she was much improved.

Mr. and Mrs. T. G. Sumerlin and daughter, Lucille, were in town from Gravel Ford Monday.

The Macey-Baird Comedian Company, who are putting on their different plays here this week, will also be here the 7th, 8th, and 9th of next week and will be at Coquille the 10th, 11th, 12th and 13th. Their plays here are being received with much applause and appreciation and larger crowds gather each night to see and hear them.

Arago Wins from M. P. Preps

Last Saturday night, Feb. 26th, the Myrtle Point Grammar school played a return game of basketball with the Arago Grammar school team at Arago and were defeated 20-9. Although Myrtle Point put in a fresh man and played their hardest, they found the Arago boys far too quick and nimble and too thorough in their team work for them.

The Arago team is new, having just been organized this year and three of the boys have never handled a basketball before this season. A great deal of credit is due their coach, Otis Beckham, for their success. Myrtle Poland was the referee for Myrtle Point and it was quick and snappy.

The Arago Grammar school team has not yet been defeated by another grammar school team, although at Myrtle Point there was a little misunderstanding due to the fact that at the end of the first half the time was up but Arago had a free throw coming from a foul on Myrtle Point. They made the point but the score keeper did not count it. Therefore the score stood 6-6 at the end of the game and in playing off the tie, which Arago should not have had to play, Myrtle Point made one point more than Arago.

Those playing at Arago were: Arago players, Alfred Cornwell, center; Bart Gasner and Bob Doyle, forwards; Arthur Fanier and Verdie Smith, guards. Myrtle Point players, Donald Lakey, center; Wayne Carver and Slimmy Gant, forwards; Dannie Barklow and Clinton Mast, guards.

East Fork Notes

Robert Ray has rented the Abernethy place. Last Tuesday he stepped on a nail and went in Saturday to have Dr. Low get the rust out of the wound.

Mr. and Mrs. Rose came up to their place Thursday. Their plans are to fix it up and live out here among the beautiful scenery of the East Fork.

Walter Laird and wife went to Coquille Monday. After consulting a doctor they will decide as to whether she will have to go to the hospital.

The Sheppard-Towner bill for the protection of maternity and infancy had a hard time getting through the Senate. It is only a \$2,000,000 proposition for the mothers and babies. The letter by Mrs. Kayes in Good Housekeeping for March is worth reading. That shows what some Senators don't think of mothers and babies. There will be another item next week.

Morris, the bond dealer of Portland; the bond dealers of Spokane, one of whom killed himself; and Brindell of New York, the labor leader, who called strikes so that he might be bought off, were all afflicted with the same bug—the depravity of irresponsibility. R. A. Eaton.

Parkersburg Gleanings

Richard Danielson has been down at Prosper with his Case tractor, plowing for Herman Hongell.

The people of this neighborhood have scored one more step in the way of progress. County Agent Farr came down here and assisted in the organization of a Farm Bureau. They have a woman's club and are boosters solidly for good roads.

Miss Rose Philpott has gone to Monroe, Oregon, to visit a while with her sister, Mrs. Geo. Buckingham, at

Have You Secured Your Seed?

THE SPRING WORK will come with a rush and the demand for seeds will be unusually heavy for a short time this year. Stocks will be quickly taken up and late comers will be compelled to wait for shipments to arrive. This delay may mean loss. If you know what you are going to want, better get it now and be ready. Our stocks are complete now and prices are low, quality considered.

that place.

Hermann Bros. have built a nice gasoline launch for the Prosper Mill Co. It is much like the Star, but is forty-two feet long and will be named "The Prosper."

Thad Shinn has bought some cows from the famous Jarman herd at Bullards.

Father of Frank Snow Dead

Frank Snow, of McKinley, has received the sad news of the death of his father, which occurred on the 7th of February, at the home of his daughter, Mrs. Hayes, in Santa Ana, Cal.

Jonathan Snow would have been 84 years of age the 30th day of next July. He was a native of Illinois, where he lived until he was grown to manhood. At the age of 21 he married Delila Cooley, who preceded him to the better world about seven years ago.

He is survived by two sons, Frank, of McKinley, Ore.; Wm. M., of La Habra, Cal.; and 3 daughters, Mrs. Ella Mackey, of Diamond, Ore.; Mrs. Minnie Hayes, of Santa Ana, Calif.; and Mrs. Alice Field, of Yucca, Calif. The eldest son, Ezra, passed on about four years ago in Kansas. He also leaves fifteen grand children and ten great grandchildren. Mr. Snow lived for about twelve years in and near Coquille.

Myrtle Point Births

Dr. Pemberton thinks this community will not lack for Roosevelt highway boosters in a few years, as the following little folks arrived here during the past ten days who give promise of putting this section ahead: Mr. and Mrs. Leslie Trigg, a boy; M. and Mrs. Tom Kinnicut, a boy; Mr. and Mrs. Frank Neal, a boy; Mr. and Mrs. Thomas Hatcher, a girl; Mr. and Mrs. Momme Jacobson, a girl.—Myrtle Point American.

A Farewell for Mrs. Stemmler

Mrs. R. B. Dument entertained about a dozen ladies Wednesday afternoon in honor of Mrs. J. O. Stemmler who leaves soon for California to make her home. Five hundred was played, dainty refreshments were served and it was throughout a very enjoyable, social function and much appreciated by the guest of honor.—Myrtle Point American.

Vulcanizing and battery service at Graham's Garage.

Great People in History Appreciate "Gifts that Last"

162 Years ago George Washington presented Martha Dandridge with a wedding ring.
71 Years ago the Kohimoor diamond, weighing 186 1-16 carats, was presented to Queen Victoria.

We have the latest in Wedding Rings and Diamond Rings

Watchmaking — Engraving — Jewelry Manufacturing

Some time you are going to sleep and not wake up. That event may happen at the wrong time. Your boy, instead of going through college and growing up to be a man of affairs may be suddenly thrown into the army of unskilled labor. And the little daughter may be denied the opportunity of a proper education and have to spend her beautiful years in unpleasant circumstances.

Let life insurance guarantee the fulfillment of your ambitions for your family. Let it step into your shoes after you are gone. Let it occupy your place and carry on your otherwise uncompleted work.
