WHEN SUBSCRIPTIONS EXPIRE

The figures following the date of the month on your paper or label are for the year only. Thus "Jan. 21" means "January 1, 1921" and "April 29" means "April 1, 1922." The Sentinel has no expiration dates except on the first of some month. It moves so much time in bookkeeping to have only 12 expiration dates in the entire year, instead of three hundred and sixty-five that we are glad to give you one, two, or three free papers, if need be, to have it that way. Your subscription for the Sentinel, if it does not expire February first, will expire March first or on the first day of some succeeding month.

Successor To Be Named

The Executive Committee of the Farm Bureau held a special session at Myrtle Point, Saturday, March 12th, at which time President Mansfield of the State Federation conferred with the Committee in the matter of putting on a membership campaign within the County. It was decided to put on an intensive campaign during the summer, probably in June, when the roads would be best and community gatherings would be easiest. A retinue of speakers will visit every section of the County to explain the Farm Bureau idea, advertising carried in the papers to acquaint the general public after which paid farmer solicitors will call upon each individual in the County who is interested in its agricultural development. There are 1170 farmers within the County.

The resignation of Miss Minnie Kalbus as home demonstration agent was received. The Executive committee in accepting it, moved that in view of the fact of how splendidly Miss Kalbus has served as Home Demonstration Agent for Coos County and realizing her sterling worth, it is with regret that we must accept Miss Kalbus' resignation. We feel that our loss and sadness in losing her may be some one else's gain and gladness.

Moved further and carried that the matter of securing another Agent to fill the vacancy be left in the hands of Mrs. McComb.

After dinner the guests spent the time until midnight in games and amusements. Misses Gertrude Butler and Mary Esther Johnson assisted the ladies in serving.
