Cataract Cannot Be Cured
 with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Cataract is a local disease, gradually formed by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Cataract Medicine is taken internally and acts thru the blood on the various portions of the system. Hall's Cataract Medicine was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Cataract Medicine is what produces such wonderful results in cataract conditions. Send for testimonials free.

Seven Ox-Team Pioneers
 Seven women who crossed the plains by ox team during the pioneer days recently held a reunion at the home of Mrs. Wm. Voorhees, of Looking Glass. Among them was Mrs. Elva A. Laird, of Brewster Valley, aged 82, who came to Oregon in 1852.

Colongue's Shut Down
 Owing to a glut of lumber at the Moore Mill at Bandon, caused by the strike at San Francisco that tied up coast shipping, the Colongue camp, back of Lencus, has been shut down and Mr. Colongue has gone to Seattle for a vacation.

Remember the dates for the Westco Chautauque here—Tuesday, July 12 to Sunday, July 17.

Death of William Sleep
 Wm. Sleep, for eighteen years a member of the Marshfield volunteer fire department, died Wednesday forenoon at Jerry hospital. He had been there since last Friday.

News of his death came as quite a shock to his many friends around town, few of whom knew of the critical nature of his illness.

Mr. Sleep was past 65 years old. He was one of the incorporators of the fireman's association, and had charge of the hall.

He is a brother of Mrs. A. B. Campbell, of Coquille, and of Al Sleep, Marshfield meat market proprietor. A number of distant relatives reside in this section.

William Thomas Sleep was born in Oakland, Calif., May 14, 1852. His name is Coos Bay in early childhood and spent his entire life in Coos county. He was a member of the I. O. O. F. lodge as well as the fire department.

Mr. Sleep was a man of quiet manners and excellent habits and had many admiring friends on Coos Bay. He was widely known in the county, having spent most of his life here, and the news of his death will be a great surprise to many and the cause of general regret.

Mr. Sleep was quite well known to Coquille and usually spent the week end with his sister, Mrs. A. B. Campbell, and family of this city.

The funeral will be held from the Wilson Undertaking Parlor, Friday, July 8th.

Council Meets Wednesday
 Mayor Hamilton and Councilman McLeod were absent from the special council meeting held Wednesday evening, at which only a little business was transacted. The month's grid of bills were allowed and ordered paid and the bond of Peart Bros. for the fulfillment of their planking contract in the north end in the amount of \$3878.96, with E. E. Johnson, M. O. Hawkins and P. E. Drane as sureties was approved.

The engineer submitted a report showing the amount of work already performed on street improvement and recommending that 75 per cent of the amount of the bid for work completed be paid as follows:
 On Henry Street to Peart Bros., \$883.12.
 On Hall and Third streets to Peart Bros., \$491.40.
 On the north end grading to Wm. Payne, \$4,247.80.

The council set the next regular meeting night, July 18, as the date when any objections to paying these amounts would be heard. The meeting then adjourned.

Kinney's Office Burned
 The sixth or seventh vacant building in Flat B district destroyed by fire during the past year, was burned at 2:30 Saturday morning. This was the building formerly used for an office by Major Kinney and was owned by F. W. Wood. It was vacated the day before. Mr. Wood offers \$1000 reward for evidence that will lead to the conviction of the person setting the place on fire. He carried \$500 insurance but says the building was worth much more than that.—Coos Bay Harbor.

Glances past 'twixt man and maid, yet their meeting's long delayed; Bitter price for pleasure paid—"TRUMPET ISLAND," at the Liberty next Thursday and Friday. See the Ad. on page seven.

Coquille journeyed over to North Bend last Sunday and lost one of the greatest slugging matches seen in this county for years, the game being finally won by North Bend in the sixth inning, when three hits and two muffed fly balls permitted the bay team to score twice and win 18 to 17.

North Bend started out like a sure winner with 8 runs in the first, three in the second and two in the third, but by the seventh Coquille had wiped out their lead and in their half of the ninth were one ahead. It was a regular see-saw affair with lots of good plays mixed up with the bad, and one fan remarks, "I would pay fifty cents any day to see such a game."

June Fines \$3250
 Fines imposed in criminal cases in Coos county during the month of June totalled \$3250 according to a report just compiled by District Attorney Fisher. There were twenty-four arrests during the month and of this number, twenty-two were convicted, the charges in two cases being dismissed for lack of evidence.

Sixteen of the violators were held under the liquor enforcement law and the fines in their cases totalled \$3270.

Three violators of the auto traffic law were fined \$75 and three violators of the hunting and game laws were fined \$175.

District Attorney Fisher was pleased with the showing and said that the results, nearly 100 per cent convictions, spoke well for the work of Sheriff Ellingsen and his deputies, Traffic Officer Williams and Game Warden McDaniel.

Bear Meat Brought
 Ray Langlois brought in some bear meat from the construction camp at the dam site of the hydro-electric project. A 50 pound brain was killed near camp the previous day. The animal was first shot by Marion Chenoweth but got away. He was then tracked with dogs and Pan Hutton and Ray Langlois each got a shot into him before he finally gave up the ghost.—Bandon World.
