

Standard Bitter Tasting of... There on Sunday

Washington, D. C., Aug. 23, 1924. As for the man who made the bitter taste known to the... Standard Bitter Tasting of... There on Sunday

Not that it would be easily possible to write in a moving train but without a typewriter we can imagine what the Sentinel's typewriter operator would say about our biographies.

As we neared the church it became evident that the unexpected was going to happen. The streets in every direction, both on "H" and Eighth street, were lined with closely parked cars ranging from delectable fusty and disreputable Ferdies to luxurious limousines of exceeding beauty.

We went right on into the vestibule but were with others standing there to await the pleasure of the ushers, rather nervously requested to move to one side. A moment later we found a stout gentleman of some sixty years, accompanied by a lady of more slender proportions, standing before us and get a close-up view of President and Mrs. Harding. Of course, we were a little flustered to find ourselves in the near presence of the greatest men in the world today--by which we mean the men occupying

Truck Men Fined \$20

Wendnesday afternoon in Justice Stanley's court, Ed Brunson, J. E. Edmonson, Loren Knight, E. E. Bender and J. L. Harry pled guilty to driving overloaded trucks on the highways of Coos county and were fined \$20 and costs. At the same time Judge Stanley assessed the same amount against C. W. Gilman, Sam Arnold and C. E. Padgett, who pled guilty last week to the same charge.

The program includes livestock, agricultural, horticultural and commercial exhibits, school children's fair, airplane flights and stunts, fireworks, horse racing, boxing contests, horse ball games and dancing every evening. With the appropriation made by the last legislature the fair officials are able to offer a larger program than for years past.

Next week, beginning Tuesday and closing Saturday night, will be held the Tenth Annual Coos and Curry Counties Fair at Myrtle Point, and as usual all roads will lead to the fair town.

The fair is advertised this year as bigger and better than ever before, and it seems most probable that a large number of race horses from the outside will be there than have been heretofore.

Council Decides to Give Up Highway Right Work

Mayor Hamilton and all councilmen today, Geo. Hasty were present for the regular meeting of the city council Tuesday evening.

The council decided to give up highway right work, Geo. Hasty were present for the regular meeting of the city council Tuesday evening.

Several of the property owners were present to give their views. J. C. Watson thought it was too late in the season and that the price was too high.

When the council met last evening they had arrived at the conclusion that the best thing to do was to let the work on Sherwood Heights wait until spring, when a better bid can probably be received.

The franchise granted Paul Ford to operate his Bandon-Ouquille auto stage line over certain streets in Coquille was transferred to the Coast Auto Lines at his request, he having sold the business to that company.

SCHOOL OPENING

List of Teachers for This Year--Enrollment Ahead of Last Year. The Coquille public schools will open next Monday with a strong corps of teachers, and with prospects for the largest enrollment the local schools have ever had.

The following is the roster of teachers in both high and grade schools, as arranged by Supt. Lynn A. Parr:

High School. Irene Whitfield--English. Aleta Alford--Domestic Science and Art. E. E. McCormack--Science, History, Athletics.

Grade School. Mrs. Iona Chubb--1st grade. Mrs. Gertrude Loran--1st grade. Miss Emma Kennedy--2nd grade. Mrs. Catherine Dwyer--2nd grade. Mrs. Myrtle Nelson--2nd grade. Mrs. Edna Allen--3rd grade. Mrs. Myrtle Nelson--3rd grade. Mrs. Lorna Swanson--3rd grade. Mrs. Emma Swanson--3rd grade. Miss Thora Pedersen--3rd grade.

The grade teachers will meet Monday at 9 a. m. Monday at their respective buildings to receive their book lists. The grade pupils will register at this time.

Heretofore Pitching Sept. 12. Horsehoe pitching match, next Monday, Sept. 15, in the Myrtle Grove from 8 to 7 p. m.

Plenty of courts will be arranged so that all may play. Be sure to bring your own shoes. A two-pound shoe is the limit allowed. 33 foot is the regulation distance to pitch. Get your partner for the four handed contests.

This is said to be one of the oldest (and one of the best) games in the world. Not only a mighty good exercise but a very fascinating sport and lots of fun. Come out and renew your youth. Get in the game and sling a few ringers. This is one of the biggest frolics of the season. It is preparatory to a real old-time horsehoe pitching tournament to be arranged at the Coos Show this fall.
