Fined for Speeding

Justice plays no favorites in Judge Stanley's court. Last Saturday evening Traffic Officer Williams notified J. C. Goodman, of Bandon, to appear before Mr. Stanley on a charge of speeding between Bandon and Langlois. Wednesday he appeared and was fined \$10 and costs. Mr. Goodman is a nephew of Mr. Stanley, but he pled guilty and was fined the usual amount for first offense. This reminds us of the story of the constable who was riding in a car with his own son, when another car attempted to pass them. The son speeded up and a pretty race ensued until the constable got into action. He ordered both cars to stop, had them turned around and driven to the justice of the peace office where both drivers were fined.

A Nationalized Bank

Reidar Bugge, of Marshfield, has made application to the U. S. Treasury Department to organize the Coos Bay National Bank of Marshfield as a successor to the Scandinavian-American state bank, which he and John E. Ross, of this city, started there five or six years ago, the latter afterwards selling out his interest to other parties.

Booze—\$60 and Costs

C. H. Carson, of Powers, was fined \$60 and costs in Justice Zimmerman's court for having liquor in his possession last Saturday and in default of payment is being confined in the county jail. There are now ten prisoners in the sky parlor of the court house.

WHY BE FAT?

You'll enjoy the sport of rolling 'em with P. A.!

FIRST thing you do next—go get some makin' papers and some Prince Albert tobacco and puff away on a home made cigarette that will hit on all your smoke cylinders!

No use sitting-by and saying maybe you'll cash this hunch tomorrow. Do it while the going's good, for man-o-man, you can't figure out what you're passing by! Such flavor, such coolness, such more-ish-ness—well, the only way to get the words emphatic enough is to go to it and know yourself!

And, besides Prince Albert's delightful flavor, there's its freedom from bite and parch which is cut out by our exclusive patented process! Certainly—you smoke P. A. from sun up till you slip between the sheets without a comeback.

Prince Albert is the tobacco that revolutionized pipe smoking. If you never could smoke a pipe—forget it! You can—AND YOU WILL—if you use Prince Albert for packing! It's a smoke revelation in a jimmy pipe or a cigarette!

Prince Albert is sold in tippy red bags, tippy red tins, round-shouldered and half-pound tin tins, and in the second crystal glass humidor with sponge molasses top.
