### Will Play Marshfield Tomorrow

Coach McCormack, of the Coquille high school football team, expects to take seventeen men with him to Marshfield tomorrow for the first game of the season. Talking with Mr. McCormack this morning we find that he is quite optimistic about the prospects and while he does not predict that the local team can defeat the Marshfield team tomorrow, as they did one of the games last year, he is confident that the boys will give a good account of themselves. They have been working hard and faithfully, have been turning out for practice regularly, and while the team averages rather light, and are nearly all inexperienced, they have been doing good work.

The following are the names of those Mr. McCormack will take to the Bay and the positions for which they have been trying out:

- Robert Trigg, full.
- Wilbur Howe, half.
- Irving Lamb, quarter.
- Leland McGilvery, half.
- Claude Brown, center.
- John Holman, tackle.
- Jackson Knife, tackle.
- Harvey Morgan, guard.
- Cyril McCurdy, tackle or full.
- Ralph Harry, guard.
- Kenneth Kistner, end.
- Donald Pierce, end.
- Fritz Nosler, end.
- Lawrence Moon, end.
- Allen Young, center.
- Harry Varney, guard.
- Lorin Schroeder, quarter.

### High School Notes

The new typewriters have arrived for the stenographic classes in the high school. Mr. Parr informs us that Mrs. McCormack, commercial teacher, is doing splendid work in that department and that rapid progress is being made by the students.

Many absences have occurred in the city schools the past week, some due to illness and others as a precautionary measure where it was thought the pupils had been exposed to contagious diseases.

### To Test County Speed Law

Geo. W. Bryant, manager of the Coast Auto Lines, appeared for one of the company's drivers, Jay Carter, in Justice Joehnk's court at Marshfield yesterday to answer to the charge of driving faster than the 25 mile rate which the county has adopted for stages of that kind, when the state law places the limit at 30 miles. It is a test case to decide whether the county regulations can supersede the state highway rules. Justice Joehnk did not render a decision but said he would in three or four days. Claud Giles, of Myrtle Point, represented Mr. Bryant in arguing the case.

### Fare and a Half to Portland

For the Pacific International Live Stock Exposition at Portland, Nov. 5-12, the Southern Pacific has made a straight fare and a half price for all Pacific coast points; no validation of tickets necessary. Local ticket agents will furnish information relative to rates, dates, etc.

### New Telephone Directory

The Sentinel has this week nearly completed the issue of the October telephone directory, which comprised four thousand copies. Receipt of a copy will be appreciated by patrons of the company everywhere, but more especially in Coquille where practically every number in the city was changed last June when the new telephone system was installed. It has kept the Sentinel force and extra assistance on the jump for the past month but the first of the week will see final delivery made.

### Puts On a One Cent Sale

Fuhrman's Pharmacy is this week advertising a One Cent Sale which have proved so popular in many other cities. It is on the plan originated by the United Drug Co., of selling two Rexall articles for the price of one plus one cent. It does not include all Rexall preparations and products but there is a long list of items in Mr. Fuhrman's page advertisement on page five that are included in this sale.
