WHAT you lose thru baking failure must be added to baking costs—it has to be paid for.

Calumet Baking Powder will save you all of that. Because when you use it—there are no failures—no losses. Every baking is sweet and palatable—and stays moist, tender and delicious to the last tasty bite.

That's a big saving—but that isn't all. You save when you buy Calumet and you save when you use it.

Pure in the can—Pure in the baking. CALUMET BAKING POWDER "BEST BY TEST". It is reasonable in cost and possesses more than the ordinary leavening strength. You pay less and use less. You get the most in purity, dependability and wholesomeness. In every way — it is the best way to keep down baking costs. That's what has made it the world's biggest selling baking powder — has kept it the favorite of millions of housewives for more than thirty years. POUND CAN OF CALUMET CONTAINS FULL 16 OZ. SOME BAKING POWDERS COME IN 12 OZ. INSTEAD OF 16 OZ. CAN. BE SURE YOU GET A POUND WHEN YOU WANT IT.

It's real economy to use Pearl Oil in your oil heater. There is no wasted heat when your heater is filled with clean-burning Pearl Oil. At the touch of a match this high-quality kerosene makes the heater deliver comfortable warmth at little cost. And it's most convenient to use — no ashes to bother with — no coxing to make it burn. Pearl Oil is refined and re-refined by the special process developed by the experience and resources of the Standard Oil Company. You can get it in bulk from dealers everywhere. Order by name — Pearl Oil. STANDARD OIL COMPANY (California)
