Passing of Francis M. Miller

Francis M. Miller was born in Cedar county, Missouri, on the 8th day of May, 1844, and passed away Saturday evening at 6:30, March 25, at the home of his daughter, Mrs. Minnie Clinton, Coquille, Oregon. He was the son of Madison and Mary Miller, natives of Tennessee.

Mr. Miller was an Oregon pioneer, arriving in Jackson county in 1872. He worked at various occupations in that county and remained at home until he was thirty-three. From there he moved to Coos county and purchased a small farm.

In 1876, Mr. Miller was united in marriage to Miss Cerilda Miller, a daughter of W. M. and Mary Miller, natives of Missouri, who crossed the plains in 1852 and settled in Douglas county.

Mr. and Mrs. Miller had eight children, all of whom are living: Mrs. Minnie Clinton, Mrs. Maude Paul, W. Frank Miller, Mrs. Sadie Smith, Mrs. Ettie Ethredge, Robert L. Miller, Jesse Miller and Mrs. Grace Lane.

Mr. Miller served as a corporal in Company G of the Forty-fifth regiment of Infantry, Missouri Volunteers, from Nov. 18, 1864, to Aug. 5, 1865.

The funeral service was conducted at the home on Fishtrap Tuesday, March 28, at 11 A. M. by Elder Thos. Barklow. Three years ago he preached Mrs. Miller's funeral sermon at the same place and hour. Many sorrowing relatives and friends attended the interment at the upper Fishtrap cemetery. The floral display was beautiful.

President Harding Invited

President and Mrs. Harding are to be invited to attend the fifteenth annual rose festival in Portland this year on the 9th of June, according to a letter received by Mayor V. L. Hamilton. The invitation will be in book form, and the signers will be Gov. Olcott, the mayor of each city in the state, the presidents of all civic bodies in the several cities of the state, and about 40,000 Portland school children. The mayors and presidents' signatures will each be on a separate sheet, with the name of the city below which their signature is inscribed, and the volume will contain about 500 pages. Eric V. Hauser, president of the Rose Festival Board, accompanied by Oregon's five senators and representatives, will deliver the invitation in person, and it is expected wide publicity through the medium of motion pictures will be given the event.

Mayor Hamilton and Pres. S. M. Noeler, of the Commercial Clubs, returned Coquille's invitation to Portland Wednesday.

Mast's Barometer

Hardy Mast says he has one infallible portent of rain. When he came to town last Saturday morning he observed the fog still hanging in a pocket in the hills between here and McKinley on the road through Norway and he had never known rain to fall after that sign. We thought he had missed it for once when Sunday morning proved so bright, clear and bracing, but before the day was over we had no doubt of the Monday storm that indicated the lingering fog wraiths in the hills would be vindicated.

Deer Run Down

One evening last week the bus leaving Coquille at 7 o'clock, struck a deer just this side of Millington. Tom Gustafson was driving and he didn't see the animal in the rain until just before striking it. Both front and rear wheels passed over the body, but when the car was stopped all trace of the deer had vanished except about a foot of hide and hair which was left on the front springs. It had evidently been bewildered by the bright light and sprang too late to avoid collision.

Will Have Radio Plant

Attorney Claud H. Giles, of Myrtle Point, this week placed an order for the installation of a fine radio receiving set with Magna-Vox attachment, which will enable all in the room to hear lectures and music from all over the coast and as far east as Denver at least, says the American.

This is the first set of the kind to be installed here and will furnish very interesting entertainment for Mr. and Mrs. Giles and their numerous friends.

Band Successful Here in Coos

It was said, following the departure of the Cadet band from O. A. C. that the Coos county tour was one of the few the band has made in the past 17 years that paid for itself and did not leave a deficit in the treasury. The band felt highly pleased with its reception everywhere in Coos, and went away with a very kindly feeling for the people down this way, says the Daily News.

Working for Coquille

At the weekly meeting of the Commercial Club Wednesday evening it was decided to hold the banquet at the close of the membership drive in three weeks—on Wednesday, April 19. Just where it will be held has not been decided upon.

While on the subject of banquets the club decided to have a monthly dinner at the hotel—some Wednesday every month—at which all club members will be expected to attend. And in June it is expected to have a larger banquet to which every member will be asked to invite one guest from among the farmers and dairymen in the Coquille territory.

The team captains, E. L. Perrot and L. C. Newman, have chosen their teams for making the campaign for new members and several new names have already been added to the list.

The prospects for or possibility of getting a Corn Show Pavilion erected for this fall's annual event were discussed at some length, but no decision was reached, which would assume a consummation so devoutly to be wished.

The question of whether Coquille should hold a Fourth of July celebration was brought up, but serious consideration of the proposal was deferred until next Wednesday, when it is hoped the members of the American Legion will be present to help in arriving at the desirability of holding a celebration.

The topics touched on at these weekly meetings cover a wide range, and everything is considered from the standpoint of Coquille's advancement and prosperity. Everyone is invited to attend and present their views.

Get Your Dog License

According to an Oregon law the owner of every dog is required to take out a license from the county clerk's office. License fee for male dogs is one dollar and for female dogs two dollars. A leather collar is issued by the clerk with the tag. The license shall run for a period of one year from January 1 of each year, and any dog not wearing said collar shall be killed by the sheriff, chief of police or constable of the precinct in which said dog is owned, or found running at large.

Will Present More Plays

The cast, which so successfully staged "Uncle Josh" at the Liberty Theatre a couple of weeks ago is now rehearsing another play, which will be staged in the near future. It is their plan to acquire a repertoire of three first class dramas and then accept an invitation to go down to Bandon and put them on there during some celebration the city by the sea is going to hold.
