Liberty Theatre July 16 to July 22

SUNDAY AND MONDAY, JULY 23 and 24 Bebe Daniels in "THE SPEED GIRL" A race that will stir your blood! A six-cylinder, hundred-and-twenty-funpower, record-beating comedy with "The Good Little Bad Girl" at the wheel. Step on it! And Ham Hamilton in "THE GREEN HORN"

A Mermaid Comedy And "THE ADVENTURES OF ROBINSON CRUSOE"
Always a complete program without the serial.

TUESDAY AND WEDNESDAY, JULY 25 and 26 House Peters in "THE MAN FROM LOST RIVER"

A heart-gripping story of love and devotion, cowardice and desertion in the Big Timberland of the Northwest, pulsating with human emotions. Swift action, a bold and vigorous plot, characters primitive and elemental in their loves and hates and a real reality go to make this picture a classic of the North Woods. It is a picture for people who like the sensation of being alive.

And "SCREEN SNAPSHOTS" Short shots of every day life of famous movie stars And "TOPICS OF THE DAY" and "AESOP'S FABLES"

THURSDAY AND FRIDAY, JULY 27 and 28 Will Rogers in "A POOR RELATION"

The screen's most lovable actor in role that touches the heart. How to be happy though poor. Will Rogers presents a recipe more precious than gold. You will laugh and cry and be stirred to the very depths of your heart. See Rip and Patch; You'll be glad you're you.

And GOLDWYN GRAPHIC A Scenic

And on Friday Herb Jack's Advershow. Come laugh and Win. Remember the beautiful phonograph to be given away one week from today.

SATURDAY, JULY 29

Pauline Frederick in "THE LURE OF JADE" An intoxicating tale of the South Seas and of a womah of mystery, who conquered herself. Unfolds a story of deepest love, violent hate and spiritual sacrifice. An unusual picture and most beautiful scenes.

And Eddie Boland in "SWEET BY AND BY" And PATHE NEWS

The state highway commission is et the contracts for two new bridges in Curry county at a meeting on July the Sixes river and the other across Elk river. The Sixes river bridge will have three spans, each 90 feet long. The bridge is on the news way location. The Elk river bridge will have two 90-foot spans.

The commission is calling for two styles of bridges, iron structures and vooden covered bridges made of Port Orford white cedar.

The work on the new road between the Sixes and Elk river is now in progress and quite a number of men are engaged in the work.—Times.

Big Berry Returns The following story of what one man has done with strawberries at

Myrtle Point this year appears in the Marshfield News:

Reuben Gray, of Myrtle Point, one of our enterprising berry growers sold \$612.50 worth of strawberrie from a measured one and seventeer hundredths acres of land, at an aver age price of seven cents per pound Mr. Gray paid \$100 for labor in pick-ing the berries, and the balance of the work was done by himself and wife. This leaves Mr. Gray with a balance of \$512.50 for less than two months of labor on his acreage of

The season has been unusually dry, and consequently the yield this year is below normal. Taking into noon it was voted to appropriate \$500 year is below normal. Taking into of the association's funds for the full consideration this season's handihealth service by the Rockefeller caps, the following analysis of Mr. Foundation in conjunction with Coos Gray's returns shows what can be county. The county will have no ad- done with strawberries, with proper

ditional funds for this service until next year's budget has been adopted; but the \$500 thus contributed will enable the work to begin on Sept. 1 instead of waiting until next year.

Allowing Mr. Gray \$250 for labor, his profit on the 1.17 acres would be \$262.00, or \$223.93 per acre. Valuing the land at \$1,000 per acre, Mr. Gray made 22.39 per cent interest on his of town. Small payment down and easy terms for balance. See Bert 25t4*
