

Liberty Theatre

Aug. 20 to Aug. 26

SUNDAY AND MONDAY, AUGUST 20 and 21

"SNOW BLIND"

It's a tale of primitive passions in the Canadian Northwest with the action moving briskly from beginning to end. The picture is a veritable scenic triumph with a great number of beautiful snow-scapes, rugged mountains and wide stretches of forests.

And "HOCUS POCUS" A Rollin Comedy
And "THE ADVENTURES OF ROBINSON CRUSOE"
Chap. 11

TUESDAY AND WEDNESDAY, AUGUST 22 & 23

Richard Bathelmiss in "TOL'ABLE DAVID"

A First National Attraction. A picture with a Down in Dixie flavor filmed in the Hill of Old Virginia amid Moonshine and Mountaineers. An epic of mountain mothers and mountain men! And a boy who leaps to manhood in life's greatest test. There are laughs, thrills and thrills for everybody. See the combat between this modern David and Goliath staged in the Virginian mountains.

And "SCREEN SNAPSHOTS"
And TOPICS OF THE DAY and AESOP'S FABLES

THURSDAY AND FRIDAY, AUGUST 24 and 25

Viola Dana in "THE 14th LOVER"

A comedy drama that has more laughs and thrills to the minute than the heroine has suitors. Just what became of thirteen of the fourteen lovers is where the fun comes in and Viola Dana knows just how to put them away with the least pain.

And "Goldwyn Graphic"

SATURDAY, AUGUST 26

Susue Hayakawa in "THE VERMILLION PENCIL"

This is Hayakawa's latest picture and the biggest one he has ever attempted. It is a veritable procession of staggering thrills. A Story full of the allure and mystery of the Orient—the magic of self-sacrifice and a tinge of heart-rending tragedy.

And Saub Pollard in "FIFTEEN MINUTES"
And PATHE NEWS

Coming next week "PECK'S BAD BOY"
With Jackie Coogan

Shall It Be Ko-Keel?

It was a largely attended and quite interesting session of the Commercial Club held at the city hall Wednesday evening. The matter of fitting up the Myrtle Grove for a better auto camp grounds was taken up and considered at some length.

The Park Commission has been greatly hampered in carrying out their ideas for making the park comfortable for tourists by a lack of funds and it was decided to ask the city this fall to budget a sum which would provide some means for doing the work next spring.

The repair of the toilets in the grove is to be undertaken at once. Two lights have been installed in the grove by the city and Water Superintendent Epperson has agreed to lay a line for water into the grounds. The present line stops short of the grove.

Talk of requesting the legislature to give statutory and official recognition of the pronunciation of the city's name as "Ko-keel," was indulged in by some of those present, and the idea that the name Coquille on stationery and printing be accompanied by the word "Ko-keel" in parenthesis was suggested.

A. J. Sherwood stated that neither of the common methods of pronouncing the word were used by the Indians, who called it "Cushquell," at least that is as near as we can make it in type. While a uniformity of pronunciation is desirable the most important thing is to get the tourists and travellers to stop in Ko-keel and look around and if they want to call it "Coquell" it will not harm the city any.

Of more importance is the getting it listed on railroad rates cards in California, where frequent occasions are cited of the inability of railroad agents to sell tickets to Coquille because the town is not listed on their schedules. This matter is to be taken up with John M. Scott at once.

The Jubilee celebration was mentioned but it was decided to leave it entirely in the hands of the Woman's Club and the committee they have appointed.

The club is going to pay the expenses of J. E. Norton out to the meeting of the State Highway Commission week after next, the Good Roads Association being out of funds. This will probably be the meeting at which the final location of the Barron between the bridge here and Fat Elk will be determined.

Is Beaver Slough Navigable?

The Coaledo Drainage district complains that the Southern Pacific bridge over Beaver Slough is not high enough to permit the passage of the dredge, which is at work deepening the slough to drain the adjoining land and that the company will not do anything to put the bridge in shape to allow the dredge to pass through. It is claimed that this slough is a navigable stream and that the road never obtained the required permission from the war department to bridge it. Goss, Kendall & Murphy, acting for the drainage district, made an appeal to this effect to the army engineers, asking that the railroad company let the dredge through and suggesting that the trestle be removed and a drawbridge be put in.

The County Court has passed a resolution calling the attention of the army engineers to this obstruction to navigation, which it is hoped will result in the determination of the character of the stream and the right of the drainage district to the unobstructed passage of the dredge up the slough.

Mrs. Pierce Entertains

Wednesday evening Mrs. Hal Pierce entertained six tables at "500." The occasion was the meeting of the Junior "500" club but there were many others present, several ladies coming from Myrtle Point. The out of town guests were Mrs. Chas. Harlocker, Mesdames Ray, Harry and Lester Dement, of Myrtle Point; Mrs. Harlocker's sister, Mrs. Creighton, of Oregon City, Mrs. S. S. Norton, of Redding, California, Mrs. F. E. McKenna, of Corvallis, and Mrs. F. G. Jennings, who was a former member of the club. The evening was a very delightful one for all present. After the games were ended the hostess served dainty refreshments. Mrs. J. A. Collier and Mrs. T. B. Currie were lucky enough to carry home the hand made luncheon cloths awarded as prizes.

Payne Paid \$2,351

The city council held a short meeting last Tuesday evening to pay Contractor M. W. Payne for the work already done on the Sherwood Heights improvement. According to the engineer's report Mr. Payne was entitled to \$3134.86 for the work so far, and he was paid 75 per cent of this, or \$2351.15. Beside allowing a \$7 claim against the city no other business was transacted.

Calling Cards, 100 for \$1.50.

From the time Hobson hit a home run into the brush along the left field foul line last Sunday until the close of the game Coquille was not headed by the visiting Bandon team. Of course, there were moments when the several hundred hearts of the Coquille fans came right up in their several and sundry throats, but each time the local players managed to slip out of danger without more serious trouble than threatened heart failure.

That Bandon bunch of ball tossers is always dangerous, and when the score was 8 to 3 against them in the fifth they kept hammering away and drove in enough to tie that score, but Coquille scored another and the winning tally in the sixth.

Harry Oerding was hit quite freely in spots and especially in the sixth when two long flies went over the hill in right field for home runs, which with a good field would have been easy outs. But Harry kept his head working, pitched steady ball throughout and was returned a winner as he should have been. Had it not been for the hitting of the locals, though, he would have lost. The leading hitter was Hobson, who got a homer, a triple, a single and a base on balls in five trips to the plate. Cutie Slade got a single and a double, King two singles, Oerding a single and a homer and Rodney Smith a double. Babe Thomas, who started the season hitting the apple, has been in an unlucky slump, not being able to connect safely in the last six games.

Bandon made a run in both the first and second innings, in the second on two errors and without the semblance of a hit. Knutson scored a homer for them in the third, and after Hayes had walked in the sixth, Keene scored him with a lucky homer and was followed by Duffy, who dropped the ball in the same place and went all the way around.

A triple and a double in the eighth scored another, and an error by Slade, followed by Hayes' double scored their last run.

Coquille got to Tollasen, the left-handed phenom sent up by Spider Baum from California, in the fourth and fifth drove him to the showers. In the fourth singles by Hobson, Oerding and Slade, an error by Keene, and Smith's two-bagger scored four and after Tollasen had walked Hobson in the fifth and Oerding had scored the latter with a circuit drive, Keene took up the white man's burden and escaped from a mighty bad hole. Slade hit the first ball thrown for a double and Spec then walked Thomas and Berg. With the bases loaded and Smith up it looked like a lot more runs, but McKenna got under Smith's fly and ended the agony.

In the sixth King hit safely, stole second and was trying for third when Keene's quick throw caught him off the bag. Hobbie tripled to right and scored when Harper let Abbott's easy grounder down the first base line go through him.

It was the most hectic game seen in Coquille this year, and kept the spectators on the qui vive until Spec Keene fled out to Slade for the third out in Bandon's half of the ninth.

There was a big crowd in attendance and considerable money is reported to have changed hands, the sports from the city by the sea even offering two to one on the game.

North Bend and Marshfield are now tied for last place, Marshfield having won Sunday 12 to 10, and Coquille and Bandon are again tied for first place, each having won six and lost four.

Will Get Over 50 Per Cent

Attorney James T. Brand, of the Dairymen's League liquidating committee, has announced a dividend of 45 per cent for all members of the league, some to be paid in stocks, as local communities may be interested, but the greater amount in cash. This is not the full amount that the members of the league will receive, Mr. Brand said, and the ultimate distribution will be from 50 to 55 per cent of the original claims.

Members of the league, who are located in the Coos Bay jurisdiction, will receive 17 per cent in stock of the Coos Bay Mutual Creamery company, and enough cash to bring the payment to 25 per cent and within the next ten days the remainder of the dividend, in cash, amounting to 20 per cent more of their claims. The stock issuance and the 8 per cent cash payments have been mailed to the members about Coos Bay, Mr. Brand said.

W. R. C. Dinner

The Woman's Relief Corps of the G. A. R. served the old soldiers with a picnic dinner Sunday, in the Myrtle grove, says the Myrtle Point American. There were about 100 present. Several carloads of Coquille people motored up to attend the picnic. The dinner was reported to have been a great success. In addition to the dinner a very good program was given which consisted of several songs by the Glee Club, solo by Mr. Averill and a short speech by Manuel Hermann in behalf of the old soldiers.

M. E. Folks Enjoy Clean-Up

The ladies, gentlemen, boys and girls of the M. E. Church met Thursday in an all day meeting at the church to clean up around the church and put in the winter's wood. The ladies served dinner and supper. The improvement made by their work proves the old adage true, "Many hands make light work," and beside the work, they had a social time together.
