

Liberty Theatre

Nov. 19 to Nov. 25

SUNDAY AND MONDAY, NOVEMBER 19 and 20
"THE MAN WITH TWO MOTHERS"

With Mary Alden, Sylvia Bremer, Colton Lewis and others
A picture with a punch and a heart grip, with five reels of action and a hundred laughs. There's a plot, a villain and a hidden, mysterious woman; a fight, a love story—everything there should be in a picture—the sort of a picture that you're glad you've seen.
And "SPOOKS" a Marmalade Comedy
Urban's "MOVIE CHATS"

TUESDAY AND WEDNESDAY, NOVEMBER 21 and 22
House Peters in "HUMAN HEARTS"

A story the whole world loves—not a play, but a vision of life itself. Not a gorgeous set—not a costly gown—not a spectacular scene—none of these things is in "HUMAN HEARTS." The simplicity of it cries out with the world-creating voice of Love. As big and human as life itself. A story of a wonderful love—of a wife who was an outcast—of a son who suffered for the one woman.
DRAMA : COMEDY : TEARS : LAUGHTER
And "SPOOKS" and "TOPICS OF THE DAY"
"ANDERSON'S FABLES"

THURSDAY AND FRIDAY, NOVEMBER 23 and 24
"THE GLORIOUS FOOL"

With Helen Chadwick and Richard Dix
Prohibition liquor plays funny tricks. It makes some men feel like a division of doughboys, spoiling for another war. Other men, like Billy Grant, become excessively polite, and delight in being kind to near-sighted old ladies. See what happened to him in the hospital after his latest drunk.
And GOLDWYN SPORT REVIEW
Added Attraction Friday Night:
Charles Hathison in "GO GET 'EM HUTCH"—Episode 13

SATURDAY, NOVEMBER 25
Raymond Hatten in "HIS BACK AGAINST THE WALL"

The most unusual Western play you ever saw! It has a hero who doesn't know a six gun from a monkey wrench, and is afraid of his own shadow. A novel comedy drama.
And A HAL BOACH COMEDY and PATHE NEWS
A Good Show and a varied program—No better anywhere

Coming Soon—Lon Chaney in "THE TRAP"

Health Notes

Oregon Contagious Disease Report for the week ending Nov. 4, 1922. New cases are:

- Scarlet fever—15.
- Diphtheria—25.
- Smallpox—22.
- Typhoid—7.

Compared with last week's report of new cases there is an increase of 7 diphtheria cases and 1 typhoid case, a decrease of 4 cases of scarlet fever, and 8 cases of smallpox. No side has seven new cases of smallpox.

Things to remember about Cancer:

1. Cancer is a lawless growth of tissue.
2. It is not a constitutional disease; not communicable.
3. Cancer has not been proven to be hereditary. Any ulceration, mole, or lump which changes size, shape or appearance and is subject to irritation should be regarded with suspicion. Intermittent bleeding is also suspicious though it may be due to other causes; only a thorough physical examination will tell.
4. It starts from a very small spot as a result of irritation. At first it is usually not painful.
5. Properly treated, and early, cancer is curable by removal.
6. Cancer occurs chiefly in adult life after 35 years of age.

Treatment by caustics and paste is liable to make the growth more serious than ever. Surgery is still considered the best treatment for cancer; X-ray and radium are good aids to treatment. Cancer cures as advertised are dangerous because they delay the patient from obtaining proper treatment when he should have it—early.

In the report of the director of health of Dubuque county, Iowa, for the month of August, 1922, it is noted that no deaths among infants or children under four years of age were reported during that month in the registration district of Dubuque county, comprising the city of Dubuque and three rural townships. This is a remarkably good record for a summer month for a population of 40,000 almost entirely urban, between 38,000 and 39,000 being in the city and the remainder in the rural sections of the registration area. The director attributes this excellent showing principally to the improvement in the sanitary quality of the milk supply, brought about largely since the co-operative health department was established in the county in May, 1921.

Beaten at Bandon

The Coquille High School football team received considerable of a surprise last Saturday at Bandon when the team of that city handed them a 26 to 0 defeat, scoring a touchdown in each quarter. The boys in the city by the sea opened up a lot of trick plays which seemed to demoralize the locals. Besides that Raymond Archibald, who refereed the game, says that Bandon played the best game they have staged this season, while Coquille made its poorest exhibition there, not one of the team playing up to his usual form.

At North Bend the game ran true to type, the fast North Bend eleven winning from Marshfield 22 to 0. Today the former is up at Myrtle Point contesting with that football machine, but with a wet and sloppy field the result will not likely differ from that at the Bay when the north end of the county team lost 6 to 0.

Next Saturday the Bandon team will be up here for the last game of the local season, the Coquille game with North Bend here having been cancelled.

The Coquille team is making arrangements to play a game with Myrtle Point up there next Tuesday, although it is not on the regular schedule.

Still Captured

Marshal Robt. Redell, of Myrtle Point, captured a big still up there Tuesday evening just out of town, and two men with it. They were Leo Wagner and E. Adams. Wagner pleaded guilty before Justice E. A. Dodge and was fined \$400. The jail sentence was suspended. Adams refused to plead guilty, so was brought here and placed in jail until today when Sheriff Ellingsen took him up to Myrtle Point for trial.

Sunday Evening Accident

Shirley Pettengill had a lucky accident Sunday evening—lucky in that he got off without serious damage. His bug ran off the highway, just this side of the China Camp bridge, tore through the fence, ran down the steep bank there and landed against a stump without turning over. The front wheels were driven back under the body from the force of the impact on the stump.

Don't forget the Presbyterian Fair to be held in Gonda's Hall Friday, Dec. 8th, beginning at 3 o'clock in the afternoon.

Coke for U. S. Attorney

Judge John S. Coke, of Marshfield, who has presided so long and well on the bench of the circuit court in Coos county, is mentioned in the following item of political gossip in the Oregon Journal as likely soon to be called upon to fill another important position:

Circuit Judge John S. Coke, of Marshfield is to be the next United States attorney for Oregon, according to rumor that has sprung up suddenly in political circles here in Portland.

It has been known for some time that the field of applicants has been standing "in statu quo" for some little time, due to the inability of Senators McNary and Standfield to determine upon a man who would meet all of the varied requirements of the present troublesome times, both from the standpoint of qualification and politics.

The Coke rumor seems to have blossomed over night, some contending that it came pretty close from one or the other of the senators. Judge Coke served in the state senate several sessions ago. He was appointed to the bench by Governor Chamberlain upon the creation of an additional judgeship in his district. He has been elected continually since that time, each time without opposition either in the primary or general elections.

Fred T. Phelps Dead

W. B. Phelps had word Wednesday that his brother, Fred T. Phelps, of San Francisco, died Saturday night, following a stroke of paralysis and was buried Tuesday. The deceased, who was 64 years of age, was well known in this city. He had been for the past four years in the employ of Hastings Clothing Co., of San Francisco. He leaves a son, living in Sacramento and a brother, Frank H., of Placerville, besides his brother here.

Coquille

Harry-Newhouse

At the home of the bride's parents, Joseph L. Harry and Winnie E. Newhouse, were united in marriage by Elder T. Barklow, on Tuesday evening, November 14, 1922, at 9:00 o'clock. There were present at the ceremony: Mr. and Mrs. E. Newhouse, parents of the bride; Neil, Henry and Andrew Newhouse, brothers of the bride; G. Harry, father of the groom; Mrs. Poebel Harry, aunt of the groom; Amos Thomas and Ida Kirk, witnesses. The young couple left for Brewster valley for a week and then will return to Coquille where they will make their home. The best wishes of a score of friends go with the young folks in their new life.—American.

Auto Overtakes

The Roseburg News-Review has the following:
"Mrs. H. P. Esfield, of Powers, received a broken collar bone and a broken rib when the car in which she and her husband were riding turned turtle on Camas mountain. They were coming this way when the car got from under control on the rough road and ran up a steep bank and then turned over. The car fell on the woman who was badly bruised

in addition to the broken bones. She was brought to this city where her injuries were treated by Dr. Hoover. She and her husband obtained quarters in a local hotel where they will remain until she is able to travel again.

Have Special Sleeper

The North Bend high school has ordered a special sleeping car to carry students to the football game at Corvallis this week end. The car will leave North Bend Friday night, and will arrive at Albany where it sets out, at midnight. The passengers may remain aboard until 5 a. m., however. From Albany a special football train goes to Corvallis at 11:00 a. m., arriving about 11:30 a. m. Most of the space in the car is already filled up, but a few upper berths remain, which are available to anyone.—Times.
