

We appreciate your good will and extend you our best wishes for a Merry Christmas and a Happy New Year

COQUILLE FURNITURE CO.

Merry Christmas

Although we cannot say to you
As much as we would like
Yet this small room
Will serve to say
With all its "pep and might;"
That we appreciate
What kindness you have shown
And at this Christmas Tide
We wish you all good Cheer,
And may our friendship prosper you
This coming Happy Year

1923

The Football Season
The 1922 football season for Coquille High School is over and a checking up is in order. From a financial and game winning standpoint the season was not a success. However, there was a decided upward trend over the season of a year ago and the triumphant ending of this season with a 25 to 0 victory over Bandon, in the opinion of student body members, should mark a turn toward future success.

Coquille will lose some valuable boys next year by graduation of Cyril McCurdy, Bob Trigg, and Ralph Harry, but the strongest teams of the conference this season, North Bend and Myrtle Point, are said to be in line to suffer greater loss so the local team should average well in 1923. At a peppy meeting of the members of this year's squad last Friday, Don Pierce was elected captain to lead next year's squad.

Following is a financial statement for the season:

Receipts	
Gate	\$137.85
From other schools	121.35
By donation	125.50
Total	\$384.70
Expenditures	
Transportation	\$ 79.20
To other schools	100.00
Use of Athletic field	33.59
Equipment	176.91
Supplies and Advertising	26.57
Total	\$416.27

The reason for the student body's seeking outside support will be evident from an examination of the above. At a recent meeting they extended a vote of thanks to all who so kindly contributed to the fund to buy equipment and these thanks are in this way conveyed to these persons and to others who have patronized High School activities.

Signed: Student Body Executive Board.

Coquille Wins
Coquille outplayed the Arago high school quintet last Friday evening, winning the basket ball game 20 to 10. The visitors had a good team and gave the local boys a tussle but did not have the punch necessary to win. Coquille played a pretty fair game for the first of the season, but has not yet perfected the smooth running machine necessary to put them in the running for county championship honors. All of last year's team, except Wilbur Howe, are back at school and practicing often. As it looks now the first team will be composed of Don Pierce, Layton Nosler, Albert Oerding, Cyril McCurdy and Floyd Rice, with Jackson Knife and Allen Young as substitutes.

The first game of the interscholastic season will be played Jan. 12 at Bandon. The first game here will be Jan. 19 with Myrtle Point.

Give "Bergen's" flowers and potted plants for Christmas. Order early through our agent, Hancock's Grocery, Marshfield Florist Co.

EAST FORK NOTES
Grant Harry was visiting his mother and other relatives in Brewster Valley last week.
K. E. Marcy bought six head of dairy cows of Jap Yoakum. Jap is going out of the dairy business and run stock cattle instead on the ranch. He, himself, has a job offered to him in a logging camp that is bigger pay than dairying.
Wm. Culbertson took a beef cow to Myrtle Point last week. He got 3 1-2 cents a pound on foot.
Fred Hobson went out with a bunch of 40 cows last week, which he said he would take to southern California. He ships them from Roseburg by train.
Mrs. W. M. Laird, of Sitkum, left Wednesday for Long Beach, Calif., to visit her sister and parents during the Christmas holidays. She was accompanied by Mrs. Margaret Kearns who is 84 years old, and who has been visiting in Sitkum for the past two months.

This press dispatch is something to think about:
"Paris, Dec. 2.—Professor Vaillant, director of the X-ray laboratory of Lariboisiere Hospital, underwent his thirteenth operation, or amputation, yesterday, made necessary by the withering effects of X-rays during the long experiments that have won him prominence. His right forearm was amputated in an effort to stop the creeping X-ray malady. The successive operations were begun with the removal of the fingers of Professor Vaillant's left hand and ended with the amputation of his left arm at the shoulder. The disease has now attacked his right side."
Such men as Professor Vaillant do not get much space in the newspapers compared with the criminal, the movie star or the flapper. They don't need it for it is such men as Vaillant who increase the triumphant notes in the angels' song.
R. A. Easton.

A Bancroft Story
On Lone Tree Mountain Dec. 14, Lloyd Evernden, Lyle Hardman and Willie Jewett ran across a deer that had been killed by a panther and Lloyd Evernden had a shepherd dog and put the dog on the track and they took a circuit and after awhile the dog was coming back up the hill and Lyle Hardman was standing on a log and the brush began to move and out came a big panther from under his feet. He took two shots at it but did not hit it. The dog treed it and the boys killed it. As they started up the hill the dog started another one and treed it and the boys got that one and then they went back to where the deer was and the dog got after another and they got it. These were the two old panthers and they think there are two more kittens. They got three of them and it was near dark. As they were a long way from home and hungry they did not try to find the rest of them. They went home and phoned to Lloyd Jarvis to come with his dogs and they went back to try to find the rest and we all hope they get them.

Catarah Cannot Be Cured
WITH LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarah is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarah Medicine is taken internally and acts thru the blood on the mucous surfaces of the system. Hall's Catarah Medicine was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarah Medicine is what produces such wonderful results in catarah conditions. Send for testimonials free.

which helps out wonderfully in the appearance of Broadbent streets.
Truman and John Robbins were in McKinley buying turkeys the first of the week from Mrs. Burchard, and Mrs. Glenn. On their way home they had a collision on the Hoffman bridge with the speed cop. Not much damage was done to either car.
A program and Christmas tree will be at the school house Friday afternoon. The children are anxiously waiting for Santa Claus.
Calling Cards, 10¢ for \$1.50.

Powers New Hotel
It is not so many years ago, as we remember, since visitors to Powers were entertained at the Smith-Powers logging camps because that place had neither hotel nor restaurant. Now James Collier has plans made and the foundation laid for a new fifty-room hotel there in place of the one recently destroyed by fire. It will be a two-story frame L shaped and 140 x 70 feet in size.
See the Liberty Theatre program on page three.
