### Small Blaze Yesterday

A small fire about three o'clock yesterday afternoon called out the department to the house owned by Geo. Gilman, just north of the Christian Science church. The fire started on the roof of the porch and must have been caused by a spark dropping on

the moss. Bert Sanders resides there and there was no fire in the house except in the living room. The blaze had been nearly extinguished before the fire truck's arrival, and the job was completed with the chemical. Chief Swinney says \$5 would cover the damage.

### Christian Science Lecture

The Religion of Right Resistance  
John C. Lathrop, C. S. B., a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, delivered a lecture, at the Liberty Theatre, to a large and interested audience Friday evening, Feb. 23rd.

Mr. Lathrop spoke in part as follows:

General Foch of France said, "A battle won is a battle in which one will not own one's self beaten." Ruskin wrote, "When the heart sinks the boat sinks." Persistence in right will move mountains. Right control, resistance, and persistence will master all things. This pathway of life is the pathway of true common sense, and true common sense is the sense common to God and His man. It is the sense that will become more and more common as men grow more and more in spiritual understanding; it is the sense that makes a man the master of himself and of all circumstances.

I ask you: Is it common sense to obey the beliefs of fear, superstition, and ignorance, which result in disease, discord and death? Is it common sense to believe that the earth is flat or that the sun revolves around it just because the sense of sight so testifies? Then neither is it common sense to accept the material testimony about disease and pain just because the lying material senses say there is life and sensation in matter. Can mindless matter feel pain, or is it thought that feels it? If it is not the thought, then why do doctors stupefy the thought with an opiate to lessen the pain?

Christian science shows that the sick and the sinner cannot be really healed by superficial methods, and therein it proves its great mission and vitality. It proves that faith in material methods merely lulls to sleep or covers over the underlying error. This error is always mental, and while it may be temporarily quieted, it is not destroyed until the false sense of life and pleasure in matter is overcome. Then the liability of repetition or relapse of the error is removed. This is how Christian Science proves itself to be the Holy Comforter or Spirit of truth foretold by Jesus, by holding out the hand of complete hope and healing to all sufferers, including those who are said to be beyond the power of material means.

The spiritual understanding of how rightly to resist ignorance, fear and sin will prevent such thoughts taking effect in sickness, sin, and death. This spiritual understanding, which all may acquire through the study of Christian Science, is not a blind faith in the intervention of a personal God, but quite the opposite; it is bringing thought into harmony with God, the divine Mind; it is the understanding that all disease and sin are nothing more than the false beliefs of life and intelligence in matter, which right thoughts about God and man will rightly resist and destroy. Such resistance is claiming man's spiritual oneness with God, with all the harmony and happiness this includes, and such claiming is the true believing which successfully resists evil and disease, and which constitutes true prayer to God.

Prevention of fear is one of the chief functions of Christian Science, and its complete success in this would alone justify its holy mission. To abolish fear is to remove the exciting cause of most mortal's troubles. Probably two-thirds of all disaster, pain, disease, and death is caused by fear. Fear of disease of all kinds, fear of loss and poverty, fear of accident and suffering, fear of sin and fear of death, all fear, is the effect of a false belief of life, substance and intelligence in matter. Change these thoughts with the ideas of Truth and Love, as taught in Christian Science, and you prevent and destroy fear.

Christian Science has come in the ripeness of time to blaze anew the footsteps of the Christ, Truth, the pathway which Jesus trod, the way to health, to holiness, and life eternal. It proclaims that the sick man need not be sick, neither need the poor man be poor. It proclaims the individuality, independence, and freedom of man as God's likeness. This true individuality necessarily gives to the female thought the same equality and rights as to the male.

### Doctors Met at North Bend

Coquille was represented at the meeting of the County Medical Association at North Bend Tuesday by Dr. G. Earl Low. Dr. Ira B. Bartle was elected president, Dr. R. V. Leep, of Bandon, vice president, and Dr. Phil J. Keiser, secretary-treasurer. Dr. L. G. Johnson read the only paper of the evening, his subject being the necessity of careful diagnosis in appendicitis cases, citing an instance where cancer of the liver was mistaken for appendicitis.

### Social Notes

Mrs. W. C. Chase, Mrs. E. W. Lorenz and Miss Emma Kennedy were hostesses to the Teachers Association Wednesday evening at the Set-a-Spell.

The evening was pleasantly spent with contests and conversation. In the paper tearing contest Mrs. Parr was awarded the prize and in the guessing contest she also was the lucky guesser.

At the close of the evening's fun refreshment was served to the following: Mr. and Mrs. Lynn Parr, Mr. and Mrs. R. E. McCormack, Mrs. Karscher, Mr. and Mrs. W. G. Brandon, Mr. W. S. Kistner, Mr. A. T. Morrison, Mrs. Glossop and the Misses Stewart, Kennedy and Chase. The next meeting of the association will be held March 28.

### Resolutions of Condolence

At the last regular meeting of the Coquille Relief Corps No. 48, the following resolution was adopted:

Whereas our Heavenly Father has taken home our sister, Myrtle B. Powder, we are, indeed, sorrowing in the loss of a member so endeared to all for her efficient and loving service, therefore be it

Resolved that we drape our charter in memory of one who has gone before and extend our sympathy to her family; further that a copy of these resolutions be spread upon our minutes, a copy to be sent to her family and one to be published in the Sentinel.

Coquille Corps No. 48.

The Corps also adopted the following resolution:

Be it resolved that we extend our heartfelt sympathy to our sister member, Nellie Keller, and her mother, Mrs. Ed Johnson, in this their great double bereavement; to Nellie Keller in the loss of her baby girl and her sister, Hazel Johnson. To Mrs. Ed Johnson, a loving daughter and a little grand daughter.

May the Divine Ruler comfort them.

Be it further resolved, a copy be sent to each and one to the Sentinel and one to be filed on our books.

By order of Coquille No. 48, Woman's Relief Corps.

### Child Welfare Exhibit Soon

Everyone interested in children should watch for the announcement of the Child Welfare Exhibit to be held in Coquille soon. This exhibit is being prepared by the educational committee of the Coquille Health Association and it promises to be both novel and instructive for those who love children.

### Probate Court Items

A petition for the adoption of Katherine Massey by Frank L. Smallwood was filed in the probate court last Friday and an order made in the case the same day.

Hannah Shutter, of Lakeside, was last Friday appointed executor of the will of John Shutter, who died the 11th of last December. Jacob Stone-lake, Matt Neime and Arvid Neime were named as appraisers of the estate which is estimated to consist of \$5000 in real property and \$1000 in personal.

A petition in the matter of the estate of C. W. Gilman, who was killed here on the 21st of last September, when his truck was struck by a Southern Pacific train, was filed in the probate court here on Wednesday by Attorney Leroy Lomax, of Portland.

### Items From Arago.

A very enjoyable day was spent last Sunday, Feb. 25, when a large crowd, as many as two hundred, gathered at the school grounds for the purpose of bidding farewell to Uncle John Rivot, who is leaving soon for California.

In the forenoon they assembled in the auditorium of the high school to hear a very interesting sermon by Mr. Root and after church they moved to the kitchen to partake of a chicken dinner prepared by the ladies. After dinner everybody visited until evening. Uncle John was presented with a purse containing about forty dollars by the people of the community.

Marshfield has arranged for an auto show to be held April 26, 27 and 28.
