### Mrs. Mehl Passes Away

Last Saturday evening Mrs. Gottlieb Mehl passed away at the home of her son, William G. Mehl, on Sherwood Heights, at the age of 82 years, 11 months and 10 days. She had been a sufferer from asthma and in poor health for years but the doctor says the immediate cause of her death was influenza.

Of course, the shock of the fire at her old home two weeks ago last Sunday is thought to have had something to do with the chill she suffered on Tuesday morning of last week when she took to her bed.

The funeral services were held at the Undertaking parlors at 2 o'clock Tuesday afternoon, conducted by Rev. H. V. Moore of the M. E. Church South. The interment was in the Masonic cemetery.

Mary Hervey was born in Green county, Tennessee, March 31, 1840, and she moved to Missouri when she was 11 years old. In 1864 she came to Oregon with her parents making the trip across the plains in a covered wagon drawn by an ox team. The family first settled in the Willamette Valley but remained there only one year before coming to Douglas county.

She was married to Gottlieb Mehl at Roseburg Sept. 29, 1867. He was born in Wurtemberg, Germany, and emigrated to the United States in 1849. He was by occupation a brewer and he and his wife came to Coquille in 1877, where he established a brewery just down the hill from their home about where the railroad runs now.

Mr. and Mrs. Mehl became the parents of seven children, two of whom died in infancy. Mary Louise married James Whetstone, of Klamath Falls, and died in 1914. Her daughter, Agnes Whetstone, now chief operator at the local Telephone exchange, has since made her home with her grandmother.

Mrs. Mehl's surviving children are George, who is a plumber, and lived with her; Fred, who lives at Bandon, where he owns a planing mill and box factory; William G., of this city, and Thomas H., of Vancouver, B. C., where he has a position in a lumber mill. She also leaves a brother, Jas. Hervey, Sr., of Lee.

### Card of Thanks

For the assistance, sympathy and many acts of kindness extended us during our recent bereavement we wish to express in this manner our heartfelt thanks. Also our appreciation of the beautiful floral offerings at the time of the funeral.

### Meeting of Presbytery

The Coos Bay Presbytery met at the Presbyterian church in this city Wednesday evening with the following members present:

Rev. D. A. Thompson, of Portland, synodical secretary of the Synod of Oregon.

Rev. W. R. Sanderson, of Marshfield.

Rev. E. E. McVickers, of Bandon.

Rev. W. E. Baskerville, of Langlois.

Rev. L. M. Anderson and J. E. Walker, of Myrtle Point.

Rev. W. S. Smith, of Coquille.

The first business of the session was to approve the request of the Bandon Presbyterian church for a reduction of interest on the \$3,000 it had borrowed from the church erection fund, and a further extension of time on yearly payments on \$800 of that amount.

The Presbytery also voted to comply with the request of the synod that all the contributions of the churches of this Presbytery to church benevolence be sent through the Portland office as a clearing house.

Believing that we should do all possible to protect our children from tuberculosis at the time when they are most susceptible and

Knowing that already, because of the fight of the people against it, great progress has been made in decreasing the amount of Tuberculosis in the country,

Now therefore, I, Samuel Nosler, Mayor of Coquille, name Tuesday, April 10th, as Anti-Tuberculosis Day for Coquille and I request that all persons in this city use that day to spread the tidings of fresh air, pure milk, and good sanitation to the end that tuberculosis may in time be done away with.

S. M. Nosler,  
Mayor of Coquille.

Dr. G. W. Leslie, Osteopathic Physician, will be at his office in Coquille every Tuesday, Thursday and Saturday, 1:45 to 3 P. M. Office over Robinson's store.

### County League Meeting

A Coos County League baseball meeting was held in the city hall here Wednesday evening, at which representatives from Bandon, Marshfield and Coquille were present. North Bend had no delegate here.

The object of the meeting was to make preliminary plans for the coming season. Briggs was made chairman of the meeting and Peter Bue secretary.

The first subject brought up was the suggestion that the league expand by asking Powers and Roseburg to come into it. This idea was opposed by everyone present, except Coquille's representatives, on the ground of excessive travelling expenses, and Coquille was neutral on the subject, Dr. G. E. Low and E. J. Page stating that it was a matter of indifference to them whether the other towns were taken in. A motion that the league be confined to the four towns represented last year was unanimously carried.

It was decided that representatives of each town should submit a proposed schedule for the season at the next meeting.

Mike Burke, of Marshfield, brought up the matter which is likely to prove one of serious discussion later. That is the question of splitting the gate receipts of each game on a 60-40 basis between the teams playing. During the discussion it developed that Bandon sided with the Bay clubs in desiring to keep all of the receipts of their home games, which leaves Coquille as the sole supporter of the 60-40 split proposition.

The arguments advanced for splitting the gate receipts were all good, the chief one being that no chain is stronger than its weakest link and that the Bay teams have so much larger a population to draw from than has either Coquille or Bandon, that they would be able to get better players by paying better salaries. Besides, it was the Bandon and Coquille teams which furnished the big attractions at the North Bend ball yard last year, and they were certainly entitled to a cut of the big gate they draw.

Jack Routledge, of Marshfield, advocated placing a salary limit, but stood practically alone for everyone knows that salary limitations are almost never lived up to in any league. Neither this question or the split question came to a vote.

It was decided to hold the next meeting in North Bend on the evening of Wednesday, March 22, at which only two representatives of each club should have a vote. A sporting proposition added was that the North Bend delegates should entertain the visiting moguls with a dinner at the North Bend Hotel that evening.

Before adjourning Ben Currie issued a challenge on the part of the Coquille Elks for a ball game in May with either the Marshfield or Bandon Elks, but it was not called. Peter Bue threw up his hands at the suggestion.

### County to Have Bull Pen

Coos county is going to have a "bull pen" at Norway. The county court proposes to build a board fence 10 feet high around the rock quarry at Norway, where all prisoners placed in the county jail will be required to work. They will break up the rock for road purposes, each man to have a heavy iron sledge. The men are to be under charge of the jail each morning and sent to the rock pile where after performing eight hours' work they will be returned.

The court is convinced that it is poor economy to furnish board and room to a lot of able bodied men, particularly so when so much work is needed on our roads, so the plan of preparing rock was decided upon as the solution.
