Coquille Quit \$600 in the Hole

The decision of the Coquille Baseball Commission at their meeting last Monday evening to drop out for the balance of this season, was unexpected to some fans, but it was the only thing to do. With a deficit of \$600 staring them in the face and another sure \$600 if the three remaining games were played, there was nothing to do but quit.

The people of Coquille have contributed liberally to financing a team this year, the patronage at the opening of the season was good, and the "Days of '49" netted \$530, but all this \$3750 did not pay the debts and their stands (or rather stood) a shortage of \$600.

None of the players were allowed to leave, however, without receiving a check for every cent due them, and all other bills have been paid. The money to do this was recured from the Farmers & Merchants Bank, the loan being secured by a note signed by the five members of the commission and three other good sport fans.

One thing is certain: The day of fancy-priced ball players in Coquille, and probably in the county, is done. No town the size of any in Coos county, can stand the drain put on it this season by paying Coast League salaries per game, as was done by all four clubs this year. Coquille has no apologies to make for disbanding, and all this buncombe in the Bay papers about not being allowed in a league next year is tommy-rot, inspired by the released players. If there is a league next year, it will be composed of clubs which agree to hire not more than four outside men with a sensible salary limit.

The Marshfield, North Bend and Bandon clubs may be in worse financial straits than was the Coquille club, as reported. If so it was a mercy for all to end it.

Doubtful Rape Charge

Deputy Sheriff Grubb, of Reedsport, came down here Wednesday to get Peter Jackson, arrested at Bandon by Deputy Sheriff Malehorn for an attempted statutory assault on Mrs. Harry Bowman, of Reedsport.

The timely arrival of Mrs. Bowman's husband, according to the information given Deputy Grubb, thwarted Jackson's attempt. He had partly choked Mrs. Bowman.

Bowman had a flashlight in his hand and struck Jackson on the side of the head, knocking him over a 20-foot cliff. In the fall, Jackson is said to have sustained a broken arm.

Jackson had been working at the new Aasen logging camp. Bowman is a Reedsport plumber.

The Bowman family and others had been camping near Winchester bay. Late Monday, Jackson appeared at the Bowman camp, it is alleged, and got Mrs. Bowman to walk out under the pretext of having some message to give her. Jackson is about 30 years old, Grubb was informed.

Family Reunion at Lampa

A most enjoyable event was the family reunion held in honor of Mr. and Mrs. J. B. Sweet, of this city, at the home of their daughter, Mrs. Richard Danielson, of Lampa. All the children were present with the exception of one son, A. J. Sweet. The children present were Mr. and Mrs. Wm. J. Sweet, of Bandon; Mr. and Mrs. A. P. Sweet, of Langlois; Mr. and Mrs. Richard Danielson, of Lampa; Mr. and Mrs. M. E. Treadgold, of Bandon; Mrs. Edwin Ellingsen, of Coquille; Dr. and Mrs. Calvin Mace, of Pasadena, California, and fifteen grand children. Other guests were Mr. and Mrs. T. P. Hanly, Thos. H. Hanly, Mrs. Mamie Miller and daughters, all of Lampa.

Two Divorces Granted

Two divorces were granted and one case continued until Sept. 4, by Judge Kendall in Circuit court Monday.

C. A. Ridgeway was given a divorce from his wife, Minnie C. Ridgeway, and the custody of their three minor children.

Roberta A. Hoover was separated from Wilbur A. Hoover and two children were placed in the custody of each.

In refusing to grant a decree to Louis W. Sell in his suit against Tullia Belle Sell, the judge said he thought something was being held back and he wanted more testimony when the case comes up again September 4.

Will of I. F. Kaufman

The will of the late Isaac F. Kaufman was admitted to probate Wednesday by Judge Mast, and G. W. Kaufman and R. T. Kaufman were appointed executors thereof. The estate is valued at a little over six thousand dollars, and according to the terms of the will Mrs. Kaufman is to receive a annuity of \$75 per month during her lifetime, the residue to be divided equally among the six legal heirs.

Threw the Last Game Away

Approximately 500 people saw the game here with Marshfield Sunday which so far as Coquille is concerned closed the season. The gate was \$218.

It was another of those games in which the locals were breasting along in great shape until the critical moment, when, "Bingo," one of the younger players cracked, and the game was lost. "Cutie" Slade is a wonderful young short pitcher, but his eagerness to make the play quite often prevents his going through. Such was the case Sunday when with three on in the seventh he fooled a sharp grounder and then threw wild to second letting two runs in.

An error of judgment on "Red" Feldman's part in attempting to throw out a man stealing second with a man on third allowed another run. Altogether five runs scored in that inning on three hits, a walk and two errors when clean ball would have prevented a score.

Coquille finished with a record of four wins and five losses, when as a matter of fact the game at Bandon was the only one that should have been lost.

Marshfield won three from Coquille and the jinx was still on the job at the close. Bert Fitchner, with all his profanity and vulgarity, was too smart for the boys and outgassed them. It wasn't the curves he was throwing that fooled them. He out thought them all the time. His head won the last game, not his arm.

Dr. Morrow Wrecked His Sedan

Dr. R. W. Morrow was fined \$40 in Justice Joehn's court in Marshfield Monday for reckless driving on Sunday. His license was also suspended for 30 days, but he was given permission to take the car to Portland. It will have to be repaired here before it can travel.

The accident occurred just beyond the Jno. McAdams house on the highway and the Chandler sedan evidently turned over twice because both front fenders show where it scraped on the concrete. The top was practically ruined, one door was torn off, the glass broken, one wheel wrecked, besides other damages.

With the doctor at the time were Joe Williams, Billy Wilson, Sharkey Perkins, and Billy Gleason, and they cautioned him against the 50 mile speed he was going on the curves. All of them were more or less cut and bruised but none seriously.

There was some talk locally of setting it out on the street as a warning to speed fiends.

Says His Car Was Hit

The Ford sedan of A. Schmitt, of North Bend, was towed into the Battey & Richardson Garage Monday morning looking as though it had been on a drunk. The whole top above the glass was entirely gone and it had a number of damaged places which made it look like the morning after. Mr. Schmitt says speeders ran into him at the Cunningham bridge on the highway about 11 o'clock Sunday night, tipped him over the grade and went on before he could get their number.

Fans Not the Poor Sports

It comes with extremely poor grace for the ball player who has had as much as anyone to do with running up the deficit of the Coquille baseball club this year, to go over to Marshfield and characterize the fans here as "a bunch of cheap sports," just because he was cut off from his meal ticket. \$25 a game in Coos county as against \$5 or \$7.50 a game in Portland is considerable of a difference.

Death of Mrs. A. K. Pearson

Mrs. A. K. Pearson, who had been quite ill at the Smedburg hospital for the past ten days, took a serious turn late Monday and died that night shortly after 11 o'clock. Her death came rather unexpectedly as it was believed she was improving. Her husband had planned for her to leave the hospital that day and go to Portland to visit relatives.—Times.
