Five Divorces Granted

Besides dismissing many cases in circuit court on which there has been no action for the past year, Judge Kendall put in a busy three days at the court house here this week, having a number of equity cases, motions, etc., and granted five divorces.

Irvin Ray Cribbins was asking for a divorce from Lillian Violet Cribbins, but the judge granted her the divorce on her cross complaint, gave her the children and ordered Cribbins to pay \$25 a month for their support.

Franth D. Haga was given a divorce from Columbus Haga; Rosa E. Crump from John Crump; Rosa E. Anderson from Chas. J. Anderson; and Margaret Richardson from Lew Richardson. The latter was given permission to resume her maiden name of Margaret Ross.

Another Scout Troop Here

Scout Troop No. 2, of Coquille, has made application, through Scout Executive Harris Rickacker, for a charter. This troop was organized about seven weeks ago and is sponsored by the M. E. Church South. Rev. Milton F. Hill is its scoutmaster, and the scout committee consists of Keith Leslie, C. T. Skeels and A. T. Morrison. The nine boys who comprise the troop are: Fred Cadle, Lawrence Cadle, Merlyn Clinton, Warden Ellis, Willie Ganin, Shirley Hatcher, James B. Hill, Everett Seeley and Stanley Pulford.

Silas Gibbs Out on Bail

Silas Gibbs was released from the county jail last week, the \$2,000 bonds required by Justice Stanley having been provided by friends. His case will come before the grand jury next month.

County Officials' Bonds

The newly organized county court, with Matt H. Klockars succeeding Henry G. Kern as county commission, began 1925 business last Tuesday, auditing the month's bills.

Wednesday they were busy most of the day conferring with delegations from different sections regarding road matters.

Between times they approved the bonds of County Treasurer T. M. Dimmick for \$40,000; that of Sheriff Ellingsen as sheriff for \$10,000, and as tax collector for \$30,000; that of Assessor J. P. Beyers and County Surveyor Kern for \$5,000 each and that of Roadmaster W. A. Gilbert for \$1,000.

J. J. Stanley and W. J. Rust had filed bonds in the sum of \$1,000 as justices of the peace. The former had secured Arthur Ellingson and Z. C. Strang as sureties.

The court set Tuesday, Jan. 20, as the day for opening bids for the publication of county court proceedings, of tax foreclosure summons, and of the county budget next December.

Along the Highway

Monday, while at work at the Smith Mill in Marshfield, Alec Sandon fell about 12 feet, striking his head, causing a fracture of the skull and severely injuring his back. He was taken at once to the Mercy hospital, where everything possible is being done for him but the attending physicians give no hope of his recovery. Two of Mr. Sandon's brothers arrived Thursday morning to aid in caring for him.

Mrs. O. O. Lund has been quite ill for several days, but is much improved at this writing.

A fine baby boy came to make his home with Mr. and Mrs. G. E. Raymond last week.

Ruth Cunningham fell Wednesday morning in such a way as to severely injure her knee. Several stitches were required to close the wound.

A Degenerate in Jail

Jas. H. Lowe, an elderly man from the Bay, was lodged in the county jail here on Monday and is held under \$3,000 bail. He was bound over to the grand jury by Justice Rust for assault with intent to commit rape. It is charged that he gave little girls candy to induce them to visit his home.

**Why Every Citizen Should Have
A Growing Savings Account**

Many people have the idea that a "live" town is one where everybody spends freely and saves nothing. Any town where that happened would be "dead" in less than a year.

There can be no growth in a community—no homes or schools, stores or factories—until somebody has saved first.

This bank's service lies in bringing together these small savings and in using them in part as loans for community development.

This bank is essentially a home bank; our interests are all here; most of our loans are for local purposes, and all our energies and resources are being devoted to the advancement and welfare of this locality. We believe that its greatest growth and prosperity is still to come, and that this development will rest largely in our own hands—your and ours.

Boost your home town; do your buying here. Build up your bank account to furnish home capital for home enterprise and improvement.

We pay 3 per cent on Savings Accounts, compounded semi-annually.

Was Making Up Lost Time

Justice Stanley fined Paul Schurter \$20 in his court Wednesday for driving a bus in excess of the lawful limit between Marshfield and Coquille that morning. It was the bus that brings the morning's mail from the bay, and Shuster was 15 or more minutes late in getting away from the postoffice. The same thing happened a few days prior to that and Traffic Officer Wil-

liams caught that driver also as he was hitting a 40-mile gait.
