Church of Christ

On last Sunday with many kept away by sickness and other causes, we had 174 in Bible School and a large crowd at all other services. On next Sunday we expect 200. If all the old ones with the others will return, we will more than reach that number. We are not trying to tear down other Bible schools, but we are trying to reach as many as possible not in Bible School.

Bible School begins promptly at 10. Communion and Preaching service at 11.

Sermon subject: "The Romance of Faith." A lesson of inspiration to the Christian. It may help you.

Christian Endeavor at 6:30. Sunday is "Christian Endeavor Day." And we expect a large attendance and an interesting service. The services at 7:30 will also be devoted to Christian Endeavor work, with special music by the young people, and the sermon by the pastor. You are welcome to all these services.

Eugene A. Palmer, minister

M. E. Church

All services at the usual hours Sunday. Prayer meeting Wednesday. You are welcome.

Morning sermon: "Jesus the Divider of Men." Matthew 10:34-38. Jesus is Savior and Divider, not harmonizer. True preaching separates. Light and darkness have no fellowship. God and mammon are not the same. This may not be your idea but your idea has no standing before God. "Ye shall know the truth, and the truth shall make you free."

Evening sermon: "The Power and Completeness of Redemption." Hebrews 1:3. Marvelous verse. How pathetic the graveyard religions—substitutes for regeneration. Sad that stones are offered and received for bread—death for life. How glorious to stand on this mountain peak of inspiration and get a life breeze from the Throne. This is life eternal.

J. S. Penix, pastor

Presbyterian Church

It is no easy job to be a real church member. Faith is required, faith in God, and faith in men. Genuine Christians always are an asset to a community because they have faith and they push.

Sunday morning at eleven: "Faithless, Faint hearted, or Faithful."

Charles S. Bergner, Minister.

Prayer service Thursday evening 7:30 in basement of church.

Milton F. Hill, Pastor.

At the Coos Bay weather bureau station the rainfall since Sept. 1, amounts to over 55 inches, which is more than five inches in excess of the total rainfall of the year ending Aug. 31, 1924. We may expect enough more this year to bring the total for the current year up near 90 inches—for so far rain has been far above normal this year.
