

SATURDAY and MONDAY, FEB. 14 and 16

Will be the Fourth of a Series of

Coquille Bargain Days

The merchants whose ads appear on this page have united to make the first Saturday and Monday after the 10th of each month Bargain Days in Coquille. The specials offered will be real values and will be offered only on the days specified in the page advertisements appearing each month in the Sentinel.

The merchants do not want you to think that they can sell for these prices every day. This is a co-operative get-together, get-acquainted movement. They want you to come in and take advantage of the specials offered and see and price other merchandise. Your visit will be mutually profitable.

THE ELEMENT OF SERVICE

WITH THE BUSINESS MAN, THE PROFESSIONAL MAN AND THE BUYING

PUBLIC-IS A PREDOMINATING FACTOR TODAY

To fully appreciate the many improvements and refinements in service, just compare business methods today with those of a few short years ago.

With the practical use today of such things as Electric Lights, Telephones, Cash Registers, Improved Accounting Systems, Better Scales, Auto Delivery, Filling Stations, Better Streets and Sidewalks, Typewriters and innumerable labor-saving devices, improved methods for keeping in Good Health, well ventilated theatres, better lighted and more systematically conducted stores, sales people trained to observe and to please in every way—the modern idea of SERVICE FIRST has totally displaced the old-fashioned methods of trading and bargaining.

Those days of "LET THE BUYER BEWARE" are gone forever in

We citizens of Coquille, whose duty it is to serve the many diversified needs of our community do hereby make it known that we accept this obligation with a keen sense of our responsibility. It is our earnest aim to work toward the utmost in comfort, convenience and economy for Coquille people.
