

This French cooking top is indeed a desirable feature.

This style of top, universally used in hotel ranges, has advantages that readily adapt itself to home use. Heat quickly and holds more heat than the partitioned top consequently is more economical. Being very smooth and with large flat surface, cooking utensils fit snugly to it. Steaks, chops, fish, eggs and hotcakes can be cooked directly on the French top, as in hotels and restaurants, particularly where the home is equipped with a hood. The French top is shown on the accompanying illustration of the Buffet range.

Come in and inspect it today.

After a lapse of from 12 to 15 years, the Coquille High School has again won a county championship in basketball. In the olden days when "Brick" and "Spikes" Leslie, "Bucky" Mast and the Oerding boys were on the Coquille high teams, they won a championship or two, but it has been a long wait between whiles.

Credit for the undefeated record of this years quintet should be fairly evenly divided. The boys would not have made the splendid showing they have had it not been for the keen interest and untiring efforts of their coach—"Brick" Leslie. Nor could he have made a championship team out of a mediocre bunch of basketball aspirants. This year's team is composed of a fast, husky bunch of athletes, who have known a little more basketball than, and have had the stamina to outlast, all their opponents. Hats off to them and their coach.

They made 156 points this season to their opponents' 77.

The victory over North Bend at Marshfield last Friday night cinched the coveted honor and made certain there would be no extra contest to settle the matter of flying the championship gonfalon.

That North Bend could hold the local quint to an 11 to 8 score was due to several reasons. One was that Lester Wilson had been sick for a couple of days and was "off" in his shooting. And this seemed to affect the whole squad for the game was not even up to Coquille's average for the year.

The North Bend fans raised quite a clamor over what they claimed was the unfairness of the referee. But they forget the years when North Bend had a team of big boys who ran all over Coquille's smaller team. The present aggregation can bump any of them with impunity and suffer no ill effects. Any team playing as hard as Coquille has to contend with a few additional fouls, but at that "Chuck" Low was calling them as he saw them. He is a North Bend man and last year his decisions were never questioned. No squarer referee ever officiated in Coos county.

Of the game itself there is not much to tell. Coquille made two field goals and converted seven free throws, as against North Bend's three field counters and two free shots. Coquille attempted fifteen free shots and North Bend nine. Rice and Nosler dropped the ball through the hoops once each, while young McDaniell, who played North Bend's star game, found the basket for two counters. Orrell made their other basket.

The girl's game was won by Coquille 27-21 after a much more even contest than occurred when North Bend played here.

Basketball Tournament
 Something new in the line of athletics is to be tried out this year in the Coos County Hi Basket Ball League to test the strength and finally the team that shall represent Coos County in the state tournament held at Salem March 12, 13, 14.

The County tournament will be held in Marshfield at the Armory, March 6 and 7. There will be eight teams represented at the tournament.

The coaches will meet at 8:30 Friday morning on the main floor of the Armory to draw for places for the first elimination. (The committee in charge reserves the right to call for further drawing or a mutual change in case better combinations for a drawing card is desired.)

The first two games will be played between 9:30 and 12:00 Friday morning, and the third and fourth games of the elimination are to be played between 2:30 and 5:00 p. m. Friday. The two games of the semi-finals are to be played Friday night between 8:30 and 10:30. When one game directly follows another there will be a limit of fifteen minutes for the next team to appear, ready for the whistle.

The admission will be: Adults 50c and students 25c, or season tickets will be sold for: adults \$1.50 and students \$.75.

To the winners of the tournament, The Hub of Marshfield, is donating a cup. Also the Ekblad Hardware Co. of Marshfield is giving a "cup" to the team that shows the best sportsmanship during the games.

No more cranking your car when you have your battery repaired at Coquille Service Station. All work guaranteed.

The Sentinel and the Oregon Farmer can be obtained for \$2.25 for one year.

Otis N. Johnson, manager of the sales promotion department of W. P. Fuller & Co., of San Francisco, offers a few suggestions as to the color scheme for various rooms. Mr. Johnson remarked, "that the dining-room should be one of the most cheerful and inspiring rooms of the house. It is the place, where the family gather

ers to enjoy meals together and nothing insures a better start than having breakfast in a bright and cheerful room."
