

# SATURDAY and MONDAY, MAR. 14 and 16

Will be the Fifth of a Series of

## Coquille Bargain Days

The merchants whose ads appear on this page have united to make the first Saturday and Monday after the 10th of each month Bargain Days in Coquille. The specials offered will be real values and will be offered only on the days specified in the page advertisements appearing each month in the Sentinel.

The merchants do not want you to think that they can sell for these prices every day. This is a co-operative get-together, get-acquainted movement. They want you to come in and take advantage of the specials offered and see and price other merchandise. Your visit will be mutually profitable.

### ARE YOU GUILTY ?

#### AUTO SMASH-UPS AND BUSINESS LOSSES OCCUR WHEN SOMEONE FORGETS

#### THE OTHER FELLOW

John Jones may be either a townsman or a farmer. John gets prosperous and buys a new car.

Proud of his new possession and intent upon gratifying his own pleasure, out he goes on the public highway, and—temporarily forgetting the other fellow—steps hard on the gas. CRASH!!!

TOO MUCH SPEED—COULDN'T STOP IN TIME  
Yes, it was tragical. As John lies on his cot at the hospital, hopelessly crippled, his physical pain is nothing compared to the mental anguish as he thinks of the fatherless children and the wife of his victim—a human life needlessly sacrificed.

Another prosperous Coquille citizen is just as thoughtless—in a different way.

He likes to trade out of town. Not that it costs him less or that he secures better merchandise, for a careful tabulation of costs would convince him that, dollar for dollar, he can buy to better advantage here in Coquille. But he doesn't figure it out.

He, too, is thoughtless. He forgets that loyalty to the home folks is not merely an ideal—but a sound business principle that pays cash dividends. He forgets that the business men of Coquille are valuable assets to this community—that they are real service-factors—and that their ability to serve depends upon his hearty support.

He forgets, too, that every dollar he spends or takes away impoverishes and cripples the whole community—of which he, and his family is a living part.

WE BELIEVE THAT IT PAYS IN EVERY WAY TO REMEMBER THE OTHER FELLOW
