## Coquille Bargain Days

The merchants whose ads appear on this page have united to make the first Saturday and Monday after the 10th of each month Bargain Days in Coquille. The specials offered will be real values and will be offered only on the days specified in the page advertisements appearing each month in the Sentinel.

The merchants do not want you to think that they can sell for these prices every day. This is a co-operative get-together, get-acquainted movement. They want you to come in and take advantage of the specials offered and see and price other merchandise. Your visit will be mutually profitable.

### Coquille As A Home Town

"MID-PLEASURES AND PALACES THOUGH WE MAY ROAM  
BE IT EVER SO HUMBLE THERE'S NO PLACE LIKE HOME"  
J. Howard Payne

"Home Sweet Home"—Magic words—words that symbolize all that's sacred, happy and serene in the hearts of mortal men. Fortunate indeed are the men, women and children who dwell in this prosperous community.

We are justly proud of our homes, church, public enterprises and the marked progress we are making year by year—but there is something above and beyond these things that makes us proud to call Coquille our home.

It is what we are pleased to think of as "THE COQUILLE SPIRIT."

The spirit of industry instead of idleness, co-operation instead of petty jealousy, boosting instead of knocking, cheerful optimism instead of gloom—the spirit of neighborliness and good fellowship instead of enmity and deceit.

These are the features of home life in Coquille that touch the heart of every worthy citizen. The constant weaving of these qualities into our social and business activities will gradually but surely strengthen and improve the entire structure of our community life.

By all joining hands in these worthy ideals we can accomplish wonders toward beautifying our city, eliminating evils and improving living conditions—thus making the whole environment of Coquille the best on earth in which to live and to bring up our children.

In brief, it is up to us as individuals to make Coquille symbolic of those famous words, "Home Sweet Home."
