Mohammed said to have made a nocturnal journey from the temple at Mecca to Jerusalem and thence to the seventh heaven, under the guidance of the angel Gabriel. His eyes were like stars, and his body was resplendent with precious stones. It had the wings of an eagle, and a human face with the cheeks of a horse. According to Mohammedan faith the ark is one of the few animals admitted to heaven.

Violence Always Error
When you have convinced thinking men that it is right, and humane men that it is just, you will gain your cause. Men always lose half of what is gained by violence. What is gained by argument is gained forever.

Storm Clouds' Visibility
The weather bureau says that the distance at which storm clouds are visible to the naked eye varies greatly with one's position and the kind of clouds. If a person is in an open flat country and the clouds are of the broad stratus or layer type, he may see them more than 30 or 40 miles away, and even not half so far if the air tends to be misty or hazy.

White House Furniture
The furniture in the White House is owned by the nation. The new President brings only such personal belongings as he may care to have with him during his term of office, and removes the same when his successor is inaugurated.
