An Old Varmint Record

Jasper Deadman, who brought in a wild cat and a coyote pelt Wednesday from the North Fork to collect bounty on, was showing a certified paper, written ten years ago, in which County Clerk Watson had sworn that between November, 1911, and June, 1916, Mr. Deadman had killed and presented for bounty collection, 152 wild cats and one pan-

ther. The varmints are not nearly so numerous out there now and it is doubtful if a man could average thirty cats a year at present, even if he put in all his time hunting.

Last week I. L. Young was awarded contracts for concrete street paving at North Bend amounting to \$12,547.82; and Anderson & Matson for vitrolithic paving amounting to \$20,823.11.

Track Meet Tomorrow

(From Coquille High Times)

This year the students have displayed more interest in track than has ever before been shown. Sixteen men have turned out and if no unforeseen accidents occur we should have a well-balanced team as several good records have been made in try-outs and some one is entered in each event.

In spite of the fact that sickness and accidents have cut in on the training routine, the men are working hard and hope to be in condition in time for the meet.

Mr. M. F. Hill, who is coaching the track team, says, "It is to be hoped that the men will train carefully, avoid accidents, and be in good shape for the meet. Let the school back up the team and be at Myrtle Point Saturday as this will help greatly to win."

The approximate line-up is:

The banquet given by the juniors in honor of the seniors was certainly a success this year. It was held at the Coquille Hotel, May 2, from 6:45 to 8:45.

There were not as many speeches this year as last, but their quality made up for their lack in quantity. Rupert Powder officiated as toastmaster. Those speaking were: Mr. Cramer on "Toasts," George Belloni on "The Progress of the School," Clare Lehmanowsky, "Athletics," Miss Druley, "Impressions of the School," and Iva Baker on the "Girls' League." Miss Nissen sang two vocal solos, "Wish Blossom" and "Big Brown Bear." Bernice Alpine rendered a piano solo, "Love's Reproaches."

The senior president, Lewis Donaldson, presented the senior class to the junior president, Wayne Robinson. This has been one of the customs of Coquille Hi since that of giving junior-senior banquets was started. The cane was made by a 1913 senior, and the colors of all the senior classes since then are tied on it. The last colors were blue and red, this year's seniors' colors, with which the banquet room was also decorated. The banquet was the highly-to-be-complimented result of the juniors' careful planning. Following is the menu:

1. Fruit Cocktail.
2. Chicken Bouillon.
3. Fish Starter.
4. Shrimp salad.
5. Roast spring chicken with dressing and jelly, mashed potatoes and green peas.
6. Ice cream and cake.
7. Coffee.

Material for the fair next year is being collected by the teachers. Miss Reeder is having some maps made. The domestic art class under Miss Ellis plans to have a large cardboard with a budget of the clothes which a high school girl should wear and a doll dressed in one of the various costumes. The domestic science class will can some vegetables. Miss Nissen is giving some algebra and geometry paper and also some designs made by the geometry class. The English classes will have themes and other written work.
