Proper finish for WOODWORK

WOODWORK, when finished with high grade enamels in any one of several popular subdued shades, adds greatly to the appearance of the home and is easy to keep fresh and clean. Buy the enamel and apply it yourself. To be sure of results, buy Silkenwhite Enamel.

Also, ask for booklet, "Color Harmony in the Home"—all about painting or finishing floors, woodwork, walls, etc. It's free.

WE carry a full line of Fuller Paints and Varnishes and can supply your needs.

Application for New Railroad

Application for authority to construct 250 miles of north and south extra road in Oregon was filed with the interstate commerce commission yesterday by the Oregon Trunk railway.

The Oregon Trunk proposes to build two new lines, one from Bend to Klamath Falls, a distance of 170 miles, and the other from Shookum, a junction point on the proposed first line, to Klamath Falls by way of Beatty and Bonza, a distance of 80 miles.

A plan for forcing the proposed construction, the application stated, would be set forth in another application to the commission.

"The territory to be served by the new lines," the application said, "contains a large body of merchantable timber, principally pine, estimated at approximately forty billion feet, and moreover, embraces considerable areas of farming lands."

"Large mills for cutting such timber will be built if served by more than one railroad, particularly if served by the applicant's railroad with its affiliated and connecting lines. The proposed extensions are now warranted."

Planning Chain Laundry

George Mungen Jr., manager of the Coos Bay Steam Laundry, proposes to organize the coast laundries into a chain of establishments with one head under a capitalization of \$250,000. The new, modern laundry at Marshfield would be the nucleus for the chain. Only such laundries as are established on a paying basis will be admitted to the corporation.

Don't worry about your battery when you can take it to an expert at the Coquille Service Station and have it inspected.

NOTICE TO CONTRACTORS

Highway Construction Coos County, Oregon

Sealed bids for the construction of Bear Creek Market road, Station 135 plus 00 to Station 157 plus 00, in Coos County, Oregon, will be received by the County Court of said County at its office in the Court House, Coquille, Oregon, until 10 A. M. on the twenty-eighth day of May, 1925.

No bid will be considered unless accompanied by cash, bidder's bond, or certified check, for an amount equal to at least 5 per cent of the total amount of the bid.

A corporate surety bond will be required for the faithful performance of the contract in a sum equal to one-

Bandon Mail by Truck

The Bandon chamber of commerce is in receipt of a letter from the second assistant postmaster general in which it is stated that the contractor who has been carrying the mail between Bandon and Coquille by boat will hereafter be permitted to transport the same by truck. This is in

responsa to representations made to

the department by the Bandon chamber, substantiating the statement of Walter Panter, head of the Myrtle Point Transportation company, that better service could be assured by truck transportation than by boat.

Walter Panter of the Myrtle Point Transportation company stated that

they had authority to begin hauling

the mail by motor truck next Sunday, on which day they will make their first trip. The Prosper and Bullards mail will be taken up the river from Bandon beginning Monday.

Calling cards, 100 for \$1.50.
