

SATURDAY and MONDAY, JUNE 13 and 15

Will be the Eighth of a Series of

Coquille Bargain Days

The merchants whose ads appear on this page have united to make the first Saturday and Monday after the 10th of each month Bargain Days in Coquille. The specials offered will be real values and will be offered only on the days specified in the page advertisements appearing each month in the Sentinel.

The merchants do not want you to think that they can sell for these prices every day. This is a co-operative get-together, get-acquainted movement. They want you to come in and take advantage of the specials offered and see and price other merchandise. Your visit will be mutually profitable.

HERE'S A COMMUNITY THAT THRIVES BECAUSE ITS PEOPLE ARE BOOSTERS AND HUSTLERS

As a guide to insure continuous growth and prosperity for our city, we are broadcasting through this page the principles for which every resident of Coquille should stand.

1. Cheerfully assume his full responsibility for a clean and efficient City Government. This is the first essential to a good town.
2. Lend his full support—both moral and material—to the churches and schools of our community, for these institutions are shaping the character and lives of our next generation.
3. Give his full support and patronage to local merchants, business and professional men, for they are the service-factors of our community. They are public-spirited men, always working for a bigger and better Coquille—and their ability to serve depends upon the loyal support of our citizens.
4. Vote "YES" on every occasion for better roads. Good roads bring more visitors and most business to Coquille. That means a better and more prosperous town.
5. Do his part toward keeping our city clean and attractive. Burn the rubbish, keep lawns mowed, walks clear, trees trimmed and houses painted. This makes for a healthy atmosphere and attracts the right sort of new citizens.
6. Be friendly and generous in thought, word and deed. Respect the rights and interests of others. Co-operation is truly the key to happiness and prosperity.
7. Meet obligations when due—one hundred cents on the dollar. Earn the confidence of neighbors and fellow-citizens.
