Not Good Security

When Pearl Pitts recently pulled a \$200 ring from her finger and turned it over to the police at Mandanville, as security for bail, she probably did not realize she was making trouble for others. But such was the case.

Pearl, with two companions, was arrested Saturday night and charged with operating a house of ill fame and with possession of liquor. She solemnly promised she would appear in court Monday morning with her companions, but when court opened Pearl was absent, and the ring was believed to have passed into possession of the state in lieu of \$200 bail.

But now the Tower Jewelry company has made a claim that the ring had not been fully paid for, over \$200 still being owed. The matter has not been decided, but in the meantime W. J. Rust has possession of the ring—free.

Why does the Times imagine the woman didn't realize exactly what she was doing? Her equity in the ring was doubtful very slight.

Send the Sentinel to eastern friends.

M. E. Church

All services at the usual hours Sunday Prayer meeting Wednesday 7:30 p. m. You are welcome.

Morning sermon: "The Victor and the Victory." First John 5:1-8. This chapter clearly reveals the source, the foundation, the means, the nature and the walk of all the Bible calls spiritual victory. Let us lay what we have down beside this measure and see if they are the same.

Evening sermon: "Holy Spirit Promised to all Believers." Acts 2:39. This promise is as clear as words can make it. The only reason for denying it is that it either conflicts with human doctrines or human ways. The source of all power to serve God is that Person known as the Holy Spirit.

J. S. Penix, pastor.

M. E. Church, South

Sunday will be Cradle Roll Day. The wee ones will be given the place of honor and everything possible done to make the occasion a happy one for them, the parents, and all who are present. The members of the Cradle Roll as well as other little folks will be introduced, there will be songs and recitations by the Primary Department, and there will be a brief illustrated talk by the pastor, primarily for the little folks, but of interest to others as well. The regular Sunday School session will be held, but the Cradle Roll program and service will begin immediately after the conclusion of the classes. As the service will begin about ten minutes before eleven and dismiss somewhat earlier than usual, it is urged that all who attend come early and participate in the entire program. Sunday School begins at the usual hour, 10 o'clock.

"The Great Essentials" will be the subject at the evening song and preaching service. Our attitude toward the Bible, Christ, Redemption, is of vital importance in this age of unrest.

The pastor will leave early in the week for a visit to his old home. During his absence the pulpit will be supplied by Rev. F. E. Finley. The Sunday School and Prayer Service will continue under competent leadership.

Milton F. Hill, Pastor.

St. James Episcopal Church

Second Sunday After Trinity, June 21, 8 a. m. Holy Communion. 11 a. m. Morning Prayer and sermon.

Everyone cordially welcome.

A. W. Bell, Vicar.

Church of Christ

The Children's Day services on last Sunday were attended by a large crowd. The house was well filled and the program well rendered. The offering for our missionary work in Japan was a little over \$31.

We hope all will remember that a Christian's sense of honor compels him to "seek first the kingdom of God," and His house of worship on the Lord's Day.

Bible School begins at 10.

Morning worship at 11. Sermon subject: "Prayer Abiding in Christ." Christian Endeavor at 7. There were thirty present last Sunday at this service and a splendid interest.

Song service and sermon at 8. We want to bring you a message worthy of your time and consideration. You are urged to be present.

Eugene A. Palmer, minister.

CITY EASE—

Beyond the Car Lines

EVEN in the country you can have city cooking convenience. A good oil cook-stove's intense flame, fast as gas, is heat concentrated! That means a cool kitchen—and no fires to tend. Noiseless, simple, safe!

The kerosene to use should be the highest grade only—Pearl Oil—especially refined and re-refined for use in oil cookstoves and heaters; Pearl Oil burns clean—no smoke—no odor—the air stays sweet and pure. Pearl Oil won't corrode the metal parts of your oil cookstove.

"Kerosene" or "coal oil" may mean any kind of kerosene; insist on Pearl Oil—by name!
