

SATURDAY and MONDAY, SEPT. 12 and 14

Will be the Eleventh of a Series of

Coquille Bargain Days

The merchants whose ads appear on this page have united to make the first Saturday and Monday after the 10th of each month Bargain Days in Coquille. The specials offered will be real values and will be offered only on the days specified in the page advertisements appearing each month in the Sentinel.

The merchants do not want you to think that they can sell for these prices every day. This is a co-operative get-together, get-acquainted movement. They want you to come in and take advantage of the specials offered and see and price other merchandise. Your visit will be mutually profitable.

FINE FEATHERS may make FINE BIRDS— BUT

**A FINE CHARACTER BUILDS CONFIDENCE
AND CONFIDENCE IS THE BASIS OF ALL TRADE**

Confidence is a sensitive guest—it goes only where invited and stays only so long as it is welcomed and well treated.

Confidence is the hidden gold slowly washed from the sands of a good reputation or laboriously extracted from the solid rock of a strong character.

The foundation of our credit system is confidence. Credit is granted to those who have built up a reputation deserving trust.

Confidence is the pass key that opens the door of better opportunity and no greater asset can be acquired than a good name.

Our promises are the steps by which we either raise or lower ourselves in the eyes of our fellow-men—and broken promises are sure to rend that fine silken web of confidence which binds our relations with men. Chase him, this web is most difficult to mend.

Let us assume no obligation we cannot fulfill and **PAY OUR DEETS**—one hundred cents on the dollar.
