Arend Kolen, 41 years of age and a resident of Marshfield, made application for first citizenship papers Wednesday. He is a native of Holland, who has resided in the U. S. since June, 1904.

For Rent—Sleeping rooms, with connecting bath. Inquire at this office.

Foundation Tests Made

Tests were made Tuesday on the site of the Central hotel at Marshfield, to determine what sort of foundation would be necessary for a fire-proof structure. A. S. Eldridge, of Seattle, owner of the site, was in Marshfield yesterday and ordered the tests to be made.

That a new building will be erected on the hotel site is regarded as a certainty but it is understood that the kind of building will be determined by the sort of foundation found necessary through the tests.—News.

No more cranking your car when you have your battery repaired at Coquille Service Station. All work guaranteed.

Missionary Society

The Missionary Society of the Church of Christ met Tuesday afternoon at the home of Mrs. Fred Von Pegert. After the business meeting a very interesting program was rendered, the subject being "Beginnings at Jerusalem."

At the close of the afternoon delicious refreshments were served to the following: Mesdames Aaron Wilson, Joe Stamanger, Geo. Sweeney, Sam Arnold, E. A. Palmer, Van Pelt, M. O. Hooton, Chas. Hill, Conway, Ella Donaldson, L. P. Maury, Wm. Keller, Ed. Johnson, Nellie Fry, Cal Young, Gaskin, Arthur Hooton, Cal Harry, Wanda Hollenbeck, Fred Von Pegert, Misses Jennie Lafferty, Edythe Parr, Pauline, Melba and Dorothy Palmer, Beth Hooton and Masters Leonard Parr and Reed Keller.

Special Notice

On account of a ruling by the post-office department we can only furnish the Oregon Farmer at the low rate we have been charging for it when $1.00 is paid in connection with a Sentinel subscription—but this really doesn't increase the price at all, as we furnish it for five years for the dollar.

Volley Ball Notes

The usual Monday evening game was played at the high school auditorium between the East End Earwigs and Weimer's Windy Wonders, resulting in a victory for Frank Leslie's team by one game.

Frank did not take any active part in the game as he felt that he could render more service to his team in the capacity of score keeper and umpire than by punching the ball.

The game throughout was snappy and the Earwigs showed the results of their training by giving the Wonders a hard fight.

The early part of the game looked rather bad for the Earwigs, but by heroic example and hard work Captain Leslie finally had his team working in fine shape and by winning the last two games almost tied their hard-worked opponents.

There is some talk of Ray Long being sold to Pete Miller's team, the "Winchester Wigglers," but Ray says that he has not been advised of any negotiations along these lines.

Next Monday the Wigglers will be given a tryout to see if they can be admitted to the Big League.

The 50th Year Opens September 24, 1925

NO, COMPANY'S NOT COMING

If you drop a dish cloth, company won't come, save as a matter of coincidence. Popular superstitions like this are losing ground; so is the superstition that there is something mysteriously better about "eastern" motor lubricants, merely because they cost more and are made in the east.

The Right Way to Judge Motor Oils

More than ever, motorists are discovering that the test of an oil is not where but *how* it is made, and how it *lubricates*. That's why Zerolene—refined from selected western naphthenic base crudes—is today successfully lubricating *more* cars in the Pacific Coast states than any other oil *made*.

An Exclusive Process—What it Does

Lubricating qualities have never been more carefully or successfully preserved than by the processes used at Standard Oil Company refineries for the refining of Zerolene—the Zerolene high-vacuum process, the Zerolene process of filtration through 40 tons of Florida Fuller's Earth, the refineries' 15 positive checks for quality!

What Zerolene Will Do For Your Car

Zerolene will give your car better *lubrication:* it increases the gasoline mileage, reduces carbon-removal and maintenance costs and lengthens the life of any engine in which it is used. Why pay tribute to a superstition? Insist on Zerolene. Always ask for Zerolene by name.

Get the Facts!

A series of independent and impartial reports showing the experience of large users with Zerolene motor oil has been collected in our booklet, "Why Pay Tribute to a Superstition?" Ask any Standard Oil Company representative or Zerolene dealer for a copy.

Insist on Zerolene—even if it does cost less
