Coming Soon:

Thomas Meghan in "OLD HOME WEEK"

Remember the CORN SHOW Oct. 30 and 31

The New Potato Law

County Agent C. R. Richards furnishes the Sentinel the following relative to the new potato marketing law, in response to many inquiries as to its provisions:

The new potato law as passed by the last session of the Oregon legislature called for some changes in the marketing of potatoes in the state. The law specifies that all potatoes sold or offered for sale or shipment in the State of Oregon shall conform to the United States of Oregon grades for potatoes. Potatoes failing to meet the requirements of the United States grades shall be known as "no grade" potatoes. Section five of the law reads as follows:

All potatoes hereafter sold or offered for sale or shipment in the State of Oregon in lots of 50 lbs. or more shall be labelled by stenciling or printing on the container a label consisting of block letters one inch or larger which shall be clear and easily read and containing the following information:

1. Name of the state in which potatoes were grown.
2. Grade of potatoes in the container.
3. Name and address of the grower.
4. The name of the variety if sold for seed.

All containers of potatoes of United States No. 1 better grade sold or offered for sale or shipment in the State of Oregon shall be uniform sound and clean and all sacks containing same shall be new sacks of "No. 1 second" grain sacks. The law in full may be found in Chapter 240 of the Session laws of 1925.

The penalty attached to violation of the law is a fine of not less than \$10.00 nor more than \$100 or by imprisonment in the county jail not less than ten nor more than thirty days or by both such fine and imprisonment.

The United States Grades for potatoes are as follows:

U. S. No. 1 shall consist of potatoes of similar varietal characteristics which are free from freezing injury and soft rot, and from damage caused by dirt or other foreign matter, sunburn, second growth, greyness, cracks, hollow-heart, cuts, scab, blight, dry rot, disease, insects, or mechanical or other means.

The diameter of potatoes of round varieties shall be not less than 1 1/2 inches and of potatoes of long varieties 1 3/4 inches.

In order to allow for variations incident to proper grading and handling, not more than 5 per cent, by weight, of any lot may be below the prescribed size, and, in addition, not more than 6 per cent, by weight, may be below the remaining requirements of this grade, but not to exceed one-third of this 6 per cent tolerance shall be allowed for potatoes affected by soft rot.

U. S. No. 1 Small

U. S. No. 1 Small shall consist of potatoes ranging in size from 1 1/2 inches to 1 7/8 inches in diameter but meeting all the other requirements of U. S. No. 1.

In order to allow for variations incident to proper grading and handling not more than 25 per cent, by weight, or any lot may vary from the prescribed size, but not to exceed one-fifth of this tolerance shall be allowed for potatoes under 1 1/2 inches in diameter. In addition not more than 6 per cent, by weight, may be below the remaining requirements of this grade, but not to exceed one-third of this 6 per cent tolerance shall be allowed for potatoes affected by soft rot.

U. S. No. 2

U. S. No. 2 shall consist of potatoes of similar varietal characteristics which are free from freezing injury and soft rot and from serious damage caused by sunburn, cuts, scab, blight, dry rot, disease, insects, or mechanical or other means.

The diameter of potatoes of this grade shall be not less than 1 1/2 inches.

In order to allow for variations incident to proper grading and handling, not more than 5 per cent, by weight, of any lot may be below the prescribed size, and, in addition, not more than 6 per cent, by weight, may be below the remaining requirements of this grade, but not to exceed one-third of this 6 per cent tolerance shall be allowed for potatoes affected by soft rot.

The grades as given above are self explanatory and farmers will be able to grade their potatoes and comply with the law if they follow closely the grades as given. Those wishing to secure stencils may be so either directly from the agronomy department of the Oregon Agricultural college or through the office of the county agent who is a representative of the college. The stencils are made on heavy oiled paper and are sent postpaid for 25 cents each. Any further information may be obtained from the county agent's office.

Death of Mrs. Helen Chapman

Mrs. Helen M. Chapman, grandmother of C. C. Farr, passed away at his home here Tuesday morning at the age of 86 years, 9 months and 16 days. Bright's disease and the facilities due to old age were the cause of her death. She retained her mental faculties until the day before her death to a remarkable degree in a person of her age.

The funeral services were held in the Ellington Chapel at two o'clock Wednesday afternoon, being conducted by E. A. Palmer.

Mrs. Chapman was born in Dexter, Mich. Dec. 20, 1842, and during the civil war was living in Missouri. One of the stories of those days which she has related since was of a company of Confederate soldiers quartering themselves at her home. She had \$1000 in cash which she hid under the wooden floor, and when the soldiers demanded keep for several days, she told them that she would feed them if they kept the wood full. This they did and although they searched the house thoroughly for valuables they did not discover the \$1000.

Her first husband died 20 years ago and Mr. Chapman, seven years ago.

Her home has been in Albion, Wash. since 1899 until a few years ago. She was here last spring for a visit with her grandson and had returned for another visit just ten days before her death.

She was prominent in her younger days in religious and temperance work and was a member of the Christian church.

Her son, C. D. Heywood, of Ellensburg, and his wife and two daughters, Misses Carrie and Gertrude, who are teachers in the Portland schools, arrived here Monday evening. Her daughter, Mrs. J. C. Farr, arrived Tuesday morning from Madras, Wash. She will remain until next week at her son's home. Mr. Heywood and family left for home this morning.

Pythian Sisters Enjoy Meeting

A very enjoyable meeting was held by Justice Temple Pythian Sisters Wednesday evening. It being the monthly county meeting there was a good attendance from every Temple in the county. The secret work was given by the M. E. C.'s of Pacific Temple of Bendon and Dumas Temple of Myrtle Point. A short program was given by Justice Temple. The Pacific Temple will put on the work at Grand Temple Tuesday evening, Oct. 12, and Justice Temple will sing a song which they have composed for the benefit of the children's unit of the Pythian Home. Pythian Sisters be there.

E. W. Barman plans to start a new garage 7x150 feet and costing \$25,000, on South Broadway at Marshallfield the first of next year.

Calling Cards, 100 for \$1.00.
