Services at Fishtrap Sunday

Rev. H. S. Shangle, presiding elder of the Oregon District, M. E. Church, South, will preach at Fishtrap church next Sunday at 11 a. m. For two or more years our preachers (by agreement) have preached at Arago school house instead of the church, the first and third Sundays, 11 a. m. In each month and have been free to announce their services on these dates; but last Sunday after I announced that the presiding elder would preach at the Brotherhood Board announced that there would be no preaching at 11 a. m. but a picnic dinner after Sunday School.

It was too late to make other arrangements and the presiding elder will preach at the church. Every member of the Fishtrap-Arago club, M. E. Church, South, will please be present not only to hear a good sermon but to consider the important interests of the church.—W. R. Smith.

COQUILLE DEBATS BANNON, 1925

Two things were clearly demonstrated in the football game here between Bandon and Coquille last Saturday. One is that the players are not, undoubtedly acquainted with the game and the other that the 1925 season's football team is quite different from the 1924 team. Several things that can lead to the right order of preference and gained out a few yards where the 1924 team would have been out of bounds.

Unmistakably with the rules that Coquille four points in the last quarter. Bandon recovered the ball on her one yard line after a Coquille fumble. To get away from the uphill grade out of the hollow at the northwest corner of the field, the ball was advanced to the eleven yard line, making the ten yard mark the goal line. Bandon kicked but was so surprised that the ball went straight up and the line cross the line of scrimmage, making it a free ball. Instead of dropping it as they easily could, the Coquille boys gouged it and Bandon fell on it for a two-point safety, instead of a touchdown as it would have been had a Coquille man grabbed it.

Another other bad feature was fumbling. Twice Les Wilson dropped the ball when right on top of the Bandon goal line, with a sure touchdown on the play.

The final score was 16 to 0 in Coquille's favor, but should have been about 40 to 0.

Coquille started off in the first quarter with a rush and after three or four line plunges and end runs Wilson carried it over the line and kicked a pretty goal.

That was all the scoring in the first quarter, but the Coquille team was playing pretty football, making an eight yard forward pass; Curtis and Richmond each made a 15 yard run.

In the second quarter Bandon made first down twice, but were stopped on the next four tries. After Richmond had carried the ball ten yards, Wilson punted 45 yards. The return kick was blocked and Coquille got the ball on the 20-yard line. Richmond, carrying the ball on the first play, was forced out of bounds on the 2-yard line, but the next line buck put it over, Curtis carrying the ball. Again it sailed straight and true over the bars from Lester's toe. Score 14 to 0.

"Hoot" Watson got down on the kick-off and downed the Bandon man, who caught Wilson's 45-yard kick, in his tracks. A 22-yard run by Curtis on a criss-cross play and a fifteen yard pass, caught by Wilson, ended the half with the ball not far from the Bandon line.

Bandon was not free from the fumbling habit, either, and lost the ball on her 30-yard line in that way after the kick-off.

Coquille was penalized -16-yards when Robinson bumped the man attempting to catch forward pass but they quickly made it back on runs by Call and Curtis and had it on the one-foot line when Lester called a line plunge but—he dropped the ball.

Bandon recovered and made first down twice in the quarter ended.

In the final canto, Bandon passed and ran the ends to Coquille's ten yard line where Curtis caught a forward pass by the visitors. Wilson then kicked out of danger. Floten blocked a kick and Curtis followed with a 30-yard run on the next play. With eight yards to go for a touchdown, Richmond made six of them and the ball was then lost on a fumble with the ensuing two points on safety mentioned above.

Bandon then unleashed the greatest passing orgy seen in Coquille for years. Two of them were completed for 20 and 25 yards, but the Coquille ends then gave up trying to intercept and were satisfied with spilling the ball. As the whistle blew the ball was in Coquille's possession near the Bandon line, having been recovered on a fumble.

Powder, who was again sent in during the game as he was at Myrtle Point, has earned a position and will probably start in the line-up tomorrow. He is a sure tackler.

Richmond and Curtis both played better ball than they did at Myrtle Point and Call played his usual steady game, gaining ground whenever given the ball.

The line holds in good shape and will make it difficult for Marshfield to gain much through it. George McClellan played left end for his first game and with a little more experience will make any of them hump to keep up. Watson, at the other end, did not allow any of them to run over him, although both ends were often boxed in.

Only a fair crowd witnessed the game, the Bandon contingent being small.

No Bounty on Wild Cats

The State Game Commission notified County Clerk Watson this week that bounty on wild cats will be discontinued Nov. 25. The \$25 bounty on panthers is still in effect.
