Brown-Foley

Miss Eleanor Foley and Dewey Brown were married here in Coquille at the home they have just fitted up near the Bledsoe House last Friday evening at 7:30, by E. A. Palmer, of the Christian Church. Mr. and Mrs. E. L. Benham were the witnesses.

Mr. Brown is employed at the Geo. H. Chaney plant near Johnson's Mill and is a well-liked exemplary young man.

The bride, a graduate of the Coquille High School class of 1923, is the daughter of Mr. and Mrs. A. N. Foley, of this city. She has been in the county school superintendent's office for nearly a year and was due for an increase in salary the first of this month. Instead of taking the increase she made arrangements with Mrs. Mulkey and the county court to be in the office for only five days during the week and continue for the present to hold the position at the same salary she has been receiving.

The happy couple are receiving the hearty congratulations of their friends and acquaintances.

Announces Her Engagement

The engagement of Miss Helen Sherwood, of this city, who is teaching this year in the Eugene public schools, to Mr. Harry A. Slack, of Indianapolis, Ind., was announced at Eugene last Saturday. The announcement with a picture of Miss Sherwood appeared in last Sunday's Journal. Mr. Slack is a graduate of the University of Illinois school of law, but has a fine position with the Real Silk Hosiery company.

Mild Weather in Valley

They have been having regular Coos county winter weather out in the Willamette valley this time and it is proving a surprise to them. The Cottage Grove Sentinel has this to say in its last Monday's issue:

Blue Birds and wild canaries were seen here on January 11, so it may be safely predicted that spring is about to arrive. Pussy willows have been out for some time and jonquils have pushed their noses several inches above ground. There has not been a time during the past winter that roses and other flowers were not in bloom. Gardens have produced the winter through.

The lady of the house is entitled to one day of rest a week. If you take your Sunday dinner at the Hotel Coquille she is sure to enjoy the day.

No more cranking your car when you have your battery repaired at Coquille Service Station. All work guaranteed.
