Cheap at \$15.00

This is not a

## Closing Out Sale

but a

## Stock Reduction Sale

We find that we have over-bought in nearly all lines and must necessarily reduce our stock, and in doing so we are throwing away our profits and giving them to our customers.

It will pay you to investigate prices elsewhere, then come to us and let us save you money.

Space will not permit us to give you prices on but a few articles---but come in and let us give you prices on any article in the store.

Come early. Remember the date

## MAY 19, 1926

## Ranges

We are the home of the Lang Range in this vicinity. Wherever the Lang Range is known, it is taking the lead on account of its fuel saving qualities.

The Forest Service Dept. of one of our sister states has purchased 70 of these ranges to be delivered this spring. They had tried out three or four last year and they gave such good satisfaction that they are using them in preference to any other.

They are made in from one to six ovens, for the home, hotel and camp.  
Come in and let us show you this wonderful range.

We have one Blue Enamel JEWEL Coal Saving Range. The Jewel does not need any introduction by us, it is standard the world over. If you are needing a range, now is the time to get a guaranteed range at a reduced price.
