A MONSTER

Saturday Morning, at 9:30

When the doors of this old Established Store swing open the people of this section of Oregon are going to come face to face with the greatest array of bargains they have ever witnessed for this immense stock, every dollars' worth of it, goes on sale at Unbelievable Prices. We are entering into this sale determined to clear our shelves of all surplus merchandise. And just a glance at the prices we are making will convince the most skeptical that we are going to do it.

STORE CLOSED

Wed., Thursday, Friday

This is necessary for this immense stock must all be gone over and rearranged. Every piece of merchandise in this stock must be marked with a Big Sale Tag. This takes time. For this reason we are compelled to close for three days. Everything will be arranged for conveniently handling the crowd.
