Since this well known firm has been in operation it has enjoyed an ever-increasing patronage because of the reasonableness of charges, the general excellence of work and reliability.

The Wardrobe is very popular with all who try them, and that they put forth their best effort is shown in the satisfaction in each case. This establishment is splendidly equipped for all classes of dry cleaning and no work is too difficult to handle in a most satisfactory manner. A specialty is made of cleaning ladies' garments, while they do this class of work that includes almost everybody who cares anything about his personal appearance.
