

Buy the World's Champion Tire

The world's production record for pneumatic motor vehicle tires was established recently at Akron, Ohio, when Goodyear produced its 100,000,000th tire.

Come in and see the world's greatest tire, the new-type All-Weather Tread Goodyear Supertwist Balloon.

This is the tire introduced this year by Goodyear. It is a real 1927 model tire—and it costs you no more than tires that are still being made according to early balloon ideas.

The new-type All-Weather Tread is speeding Goodyear to new heights of popularity and sales. Every motorist who sees the tire, examines it, learns its low price, and advantages, WANTS it. You'll like it, too.

The World's Greatest Tire

does away with all of the previous troubles of balloons. Gives sure, full traction, safety, and real balloon tire riding comfort and steering ease.

Col. B. K. Lawson to Leave

It was officially announced on Tuesday of last week by Col. B. K. Lawson that he is to sever his connection as manager of the Macleay Estate Co. properties at Wedderburn, the latter part of August. The move has been contemplated for some time, says the Curry County Reporter.

Mr. Lawson has been connected with the Macleay interests at Wedderburn for the past eight years, coming here at the close of the World War in which he was engaged, and the Macleay interests have prospered under his regime.

According to Mr. Lawson's statement they expect to leave Wedderburn the latter part of August and will go from here to California where the Colonel has been ordered to encamp with his regiment in the ar-

tillery maneuvers to be held early in September.

Legion Convention July 21-23

The American Legion Convention to be held in La Grande on July 21-22-23 will be the first convention to have as its guest a Legion post made up entirely of Indian members. This post is the one recently organized on the Umatilla Reservation. Its membership consists of twenty red men and they hope to increase the number before the convention dates. The Indian legionnaires have promised to attend the convention and appear in full Indian regalia and to show the other posts how to put on a real stunt at a convention.

The Ladies of the Church of Christ will hold a cooked food sale Saturday, June 11, at Nosler's Grocery store.

Two Will Go to C. M. T. C.

Randolph Lorenz and Paul Rietman will leave next week for Vancouver, where they will attend the Citizens Military Training Camp for a month. The camp opens next Friday. Thirteen other young men from Coos county will also attend the camp. They are Arthur H. Barger, Myrtle Point; Arthur B. Derbyshire, George M. Dutch, Harold C. Geisler, John H. Greves, Frederick B. Hollister, Brewer Mills, Sherman J. Peppmuller, Alfred W. Shelton, George H. Vaughn and William Anthony Youngmeyer, all of North Bend; Bernard W. Gurney, Bandon; Reynold B. Olson, Empire.

The C. M. T. Camps are conducted by the government under provisions of the National Defense act and aim to develop citizenship, Americanism, physical fitness and a sense of responsibility and duty of citizenship in the young men attending.

The purpose of the camps is not to make soldiers of the boys attending, for this could not be done in the brief thirty day period if it was desired, and attendance does not bind the student in any way.

Athletics under the supervision of ex-college athletes, trips to the beach and nearby places of interest, military training and general out-door recreation will be the summer's program at the camp. Vancouver Barracks is the camp center for the State of Oregon and the southwestern counties of Washington.

tention immediately. He was suffering painfully from a gash in the knee. Bestul, according to Dr. Wilson, was helping a farmer construct a barn at Catching Creek near Myrtle Point when in some manner, the axe slipped and struck him in the right knee, cutting through the flesh and bone and causing heavy loss of blood. Bestul considered the injury comparatively slight and waited several days before pain drove him to the hospital. The injury is serious, according to Dr. Wilson, and infection may set in due to the period elapsing between the cut and when Bestul entered the hospital.

Sitkum Club Notes

The Girls Sewing Club and the Bachelor Sewing Club of Sitkum have finished their work 100%.

In the Girls clubs are the following members: Ella Parks, president; Florence Holmes, secretary; Anna Lou Lawhorne, Irene Holmes, Martha Moore, Maxine Holmes, Eloise Crowley, Christina Christensen.

As there were only three boys to take the Bachelor Sewing, it was impossible to form a standard club which requires at least five members. The names of the boys are as follows: Paul Laird, Edwin Crowley, Daniel Parks.

Both of these clubs have been led by Lelah Parks. For several years the Sitkum school has done splendid work and last year one of the girls won the capital prize at the county fair, so was given a free trip to the state fair.

Mrs. Daisy Laird will have charge of the Girls' Canning team during the summer months. Eloise Crowley, Ella Parks, Ann Lawhorne, Hazel Taylor, and Christina Christensen are the five who have declared their intention to take up the canning for the summer. This is the first canning team to be organized but no doubt there will be others later.
