

Who says "We Stand Back of This Tire?"

Next time you hear a tire dealer say that, ask yourself:
 "Is he responsible?" We are.
 "Is he in permanent business here?" We are.
 "Does he give real service?" We do.
 "Has he got a genuine quality tire to stand back of?"

Lions Urge H. S. Attendance

The Educational committee of the Lions Club, of which Lyman Carrier is chairman, is sending out letters again this year urging all students who graduated from the eighth grade last spring to continue their studies in high school this fall. The club feels that similar efforts made a year ago were favorably received and the interest the club shows in educational affairs has resulted in greater determination by some to secure an education.
