Folks--

here's a message for you

Read It!

Fred Lorenz

is a boy you all know. He was raised here. You are going to miss him when he is gone. You are going to miss this store. It's an old-time store where many of you have traded all your lives. When Fred bought Mr. Robinson's stock he expected to make Coquille his home, but conditions change. Opportunities unexpectedly come to people and that is just what has happened to Fred. Other business interests have developed in the last few months that make it advisable to dispose of this stock at once. Fred wants quick action and that is just what he is going to get. I am under contract to sell this stock and no restrictions are placed on the prices I shall make. Every item will be marked with a Big Sale Tag. Every item will have the original price ticket left on so you may see at a glance the great saving you can make. It's going to be a quick close-out of the entire stock. We invite you to come early. Be here when the doors open. Get first pick of the stock. Get it while you can for many items will be completely sold out, no doubt, the first few hours of this sale.

G. W. KENNETT, in charge.
