

**Thomas for State Senator**

You have probably heard many times: "If only good business men could be induced to run for office. That would solve many of our problems of government."

This is your opportunity to nominate L. L. Thomas, one of the best known business men in Southwestern Oregon to the office of senator for Coos and Curry counties.

**Thomas Has Shown His Broadminded Foresight and Business Ability**  
It would be practically impossible to name a worth-while community project achieved on Coos Bay during the past ten years in which Thomas has not taken an active, if not leading part.

Thomas has saved in actual cash for the citizens of Coos and Curry counties, thousands of dollars as a result of the railroad terminal freight rates which were granted as a result of a movement begun and waged almost single-handed by Thomas and under which some 211 commodities are now laid down in this district for the same freight rate that applies to the same goods shipped from Western points to Portland, 246 miles away. This saving has been passed on to you.

**Enthusiastic But Conservative**  
Mr. Thomas is a man accustomed to handling big business, who is in a position to enjoy the confidence and receive the helpful suggestions of representatives of all classes of citizens in the two counties, and is therefore the best man for the position. A glance at his platform will convince you that he is a friend of the working man and that he has the best interests of all in mind.

**Such Confidence Must Be Deserved**  
Five times during the past five years the Oregon Retail Merchants association has unanimously elected L. L. Thomas president.

For ten years L. L. Thomas was a director of the Marshfield chamber of commerce; in 1923 he was vice president and in 1924 he served as president.

L. L. Thomas has served continuously as president of the Marshfield Home Building company, an organization that filled a critical need in the community by housing nearly 60 families, many of whom had been forced to live in tents.

L. L. Thomas served several years on the board of directors of the Coos County Business Men's association, and one term as president.

L. L. Thomas is president and active member of the Thomas Music Co.  
L. L. Thomas is present mayor of Marshfield, being elected in 1926 by a very large majority.

Thomas is pledged to the industrial development of Coos and Curry counties.

**Paid Adv.**—Thomas for Senator Committee; August Frizzen secretary, Marshfield, Ore.
