

It's Here!

The GOODYEAR DOUBLE EAGLE

The TIRE of TIRES

We want you to see a tire that exceeds anything you have ever dared to hope for.

A tire that under ordinary conditions will likely outwear the ordinary automobile.

It is the GOODYEAR DOUBLE EAGLE—the Tire of Tires—the tire that has a double-thick tread, of the toughest, longest-wearing rubber ever made; a body with more plies, more rubber—even an extra layer of rubber as a lining to keep moisture from the cords.

A tire that costs more than any other, but for those people who insist upon the very finest, THIS is THE TIRE!

Budget Rejected at Marshfield

W. N. Ekblad was elected director in the Marshfield school district Monday by a majority of 44 votes over B. B. Ostlund. Ekblad received 849 and Ostlund 805.

An unusual event of the election was the rejection of the budget by a majority of 45 by the voters. It can only result in another budget election this summer, and should it again be defeated the school directors can issue warrants for school expenses without the specific authorization of the voters.

The proposal to levy taxes in excess of the 6 per cent limitation was defeated 405 to 367.
