

WHO has the best TIRE?

There are all kinds of tires and all kinds of claims for them.

There are all kinds of dealers and they claim and offer all sorts of things.

It's all very confusing. But here's something to anchor to—more people ride on Goodyear Tires than on any other kind.

For more than ten years Goodyear has maintained leadership in the Tire World. Of course there's a reason.

Also if you will investigate you will find our service the kind you want. It is prompt—expert—courteous and always in your interest. We're here 365 days in the year to help you.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store.
