**Firestone Built Tires at New Low Prices!**

Firestone's victory in the long fight against foreign rubber monopoly now makes possible new low prices on Firestone Tires. Mr. Harvey S. Firestone makes this new valuable contribution to the cause of American Motorists. These new price reductions mean a tremendous saving to car owners everywhere. They place Firestone quality, extra mileage and dependability within reach of EVERY PURSE. You can buy Firestone Tires at prices that give you more for your money than has ever before been possible.

You will be amazed at our new low prices on the famous Oldfield Tire, which Firestone has taken over from the Oldfield Tire Company. For more than four years these tires were sold by Oldfield dealers as the foremost quality tire, securing higher prices than for any other high grade standard tire. Now you can buy it for less than any other tire of such quality on the market.

Courier Tires and Tubes are their great Firestone-built values that are reduced in price. These over-size tires, with tough non-

skid tread and rib-protected sidewalls are the outstanding leaders in quality in the medium price field.

Airway Tires are our special Firestone built bargain offer to owners of small cars. Our new low prices cannot be duplicated. Remember, too, that reduced prices also apply to the de luxe Firestone Gum Dipped Balloon—the tire that holds all world records for speed, safety, endurance and mileage. Come in today.
