Four Square Tabernacle

Does the 4-Square Tabernacle believe in Divine Healing? And why? Turn with me to James 5:13-18.

13. Is any among you afflicted? Let him pray. Is any merry? Let him sing psalms.

14. Is any sick among you? Let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord.

15. And the prayer of faith shall save the sick and the Lord shall raise him up; and if he have committed sins they shall be forgiven him.

16. Confess your faults one to another and pray one for another that ye may be healed. The effectual fervent prayer of a righteous man availeth much.

17. Elias was a man subject to like passions as we are and he prayed earnestly that it might not rain; and it rained not on the earth by the space of three years and six months.

18. And he prayed and again the heaven gave rain and the earth brought forth her fruit.

Notice in the thirteenth verse that the man himself is to pray first. In the fourteenth verse he is to call the elders of the church, anointing him with oil, and in the fifteenth verse it specifies that it must be a prayer of faith, not of doubt.

We are glad to respond when you need us.

About two hundred people took part in the big corn roast last Friday night. Some forty or more visitors from Coquille and Myrtle Point were present. The large crowd assembled about the big bonfire with long forked branches in their hands waiting for the winners, reminded us of pictures we have seen in books. A little war paint and a little more modern style of dressing, the excited, through silhouetted against the blackness of the night by the leaping red flare of the big bonfire would have given a strong suggestion of the tribe of Arago on the war path. Everybody seemed to have a real exciting time. The young people had their usual free-for-all mix-up in the good-old-fashioned way. There were thrills everywhere. Even the sponsors found the background favorable.

REL'EF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or over-increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store.
